NORTHWEST NOTES.

The Ochoco Review warns stockmen not be in a hurry to dispose of their sheep, as the present prices will advance largely during the summer.

The prospects of an early start at work upon the Oregon Pacific is good. Large quantities of ties have been gotten out and are piled along the track ready for action.

From present indications there will be an unusual rush for timber lands under the timber land law this spring. Already there are many persons who came from the eastern states to locate on claims.

The name of Ellensburgh postoffice, in Curry county, has been changed to "Goldbeach." This is done in order to avoid the frequent confusion occuring to mail matter addressed to this and the Ellensburgh postoffice in Washington.

A Kansas City firm sent a proposition to prominent citizens of Dayton Or., in which they would build an electric motor line from the McMinnville fair grounds to Dayton, a distance of seven miles, for a bonus of $50,000, in money and real estate, the line to be in operation by September 15 1890.

Photography and the Pyramids.

From The New Haven Palladium.

"Photography properly dates from 1840," remarked Professor Henry W. Farnam in a recent lecture, "although several discoveries were made in the art before this time. Still everything can be shown to be old, and I propose to show that the photographic art was practiced by the Egyptians 4,000 B. C. This great pyramid must have been a photographic laboratory. It contains a dark room, and the dictionary defines a dark room as a place in which photographic plates are developed. Hence the Egyptians must have had photographers.

Astoria Pointers.

In keeping both eyes on Astoria, do not forget that the property offered by the Oregon Land Company is no "job lot," to be sold off at auction, but good, sound property, in which the company have invested their own money. The new cable cars run to the corner of Ocean Park addition, making this very desirable property. There is also a steamboat landing and a railroad station adjacent to this addition. Parties who desire to make investments in the Ocean Park addition to Astoria will have to apply soon, as it is being closed out very rapidly and prices advancing.

Golden Rule Bazaar.

Julius Gradwohl has decided to add to his mammoth stock of crockery and fancy goods a complete line of groceries. He has en route a large invoice of sugar, and will keep a complete assortment of choice groceries, and the best of coffees and teas to be had in the market for the benefit of his customers. He will also enlarge his hardware department. He informs us that he buys all his goods for net cash, which will enable him to sell goods as low as any house in Oregon, and there is no need of people going abroad when they can do as well at home, or even better.

The Homeliest Man

In the Willamette Valley, after making a close and careful inspection of the stock of hardware and tools and the quality of the tinware carried in stock by Matthews & Washburn, says they excel all all other stores in the valley in quality and low prices.

SEATTLES
Mighty growth the last ten years into one of the world's great cities is without a parallel. No one can now portray her resources or the continued prosperity that the years of the future will pour into her
WORLD-RENOWNED HARBORS
And her scenic shore lines on lakes and sound. Never has the hand of nature been so lavish in her gifts as to make the
Worlds Last Great City.
Rome, on her seven hills, was as nothing to seattle's snow crowned Olympics on the north and west Cascades on the east and south, and from those mighty bulwarks of health, energy inspiration-giving, there arises the mighty Mount Ranier, a-w-a-y above every competitor on the Pacific, reminding one of
SEATTLE, THE QUEEN CITY,
At the base, which, in another score of years, will pass in population every city on the Pacific, the world's largest ocean.

THE WASSOM ADDITION
—TO SEATTLE—
JUST PUT ON THE MARKET.
Lots $200 and upwards. Will be taken off the market in 30 Days,
Some of its Advantages:
Every lot in full view of Mount Ranier and Lake Washington; on railroad; at depot; adjoining Ravenna Park; an electric railway as soon as can be completed to it; half dozen fine residences already under contract on additiou; a $25,00 female college to be opened September, 1890. Without doubt the
WASSOM'S ADDITION
Is the place where people of money, sense and refinement will make their homes, and why? Because the college, the mineral springs, Ravenna Park, the view of Mount Ranier, (which is grander here than anywhere else on Puget Sound) if for no other reason, would make it most desirable.
In Seattle a mighty city is building. Take hold of the best while you have a chance at at lowest prices.
TO THE PIONEER A WORD:
Why did you cross the plains? Why did you take your life and that o others in your hands and come to the Coast? What pen can write the history? You have conquered this land, made the growth of great cities imperative and the amassing of colossal fortunes, almost in a day, possible. Now, by the investment of a few thousand, or hundred dollars, you may reap the harvest that belongs to you. Will you do it? The greatest corporations, the ablest financiers of Europe and America are investing thousands, nay, millions, in Seattle. Will you not invest? Your chance is NOW. Seize it. I have a 60 acre tract, an 80 and two 40 acre tracts. Only a few left—cheap; ripe for platting, any one of which will make you a fortune in a short time. Buy quick. I can't duplicate them.
Rev. J. R. Kirkpatrick is among you and the sole agent for Wassom's Addition in Oregon. Call on him at once.
I will be in Albany in a few days and will remain only a day. I would be glad to meet you personally and urge you to join us in the material upbuilding of Seattle, the Queen City of the Pacific. When in Seattle be sure and call at room 348, Seattle Block, where I will take pleasure in showing you the city.

DR GILL'S CATARRH CURE
FOR SALE BY ALL DRUGGISTS.
"Some months ago I purchased a box of Dr. J. P. Gill's Catarrh Cure for my own use, but finding my nephew, C. A. McMahan, needing such medicine I let him have my box of medicine. He now sends for three more boxes, saying it is the best thing for catarrh ever tried by him and his friends. I got another box to use in my case, and cheerfully recommend it to others.
(Signed), JOHN McMAHAN,
Ex-County Commissioner Linn Co, Oregon,
Springfield, Lane county, Oregon.
Prof J. W. Johnson, president of the State university, says it cured him of a cough after two other prescriptions had failed. Likewise two of his little girls used it to cure their coughs. Mrs Mark Bailey, wife of Prof Bailey, sent it to Prof Johnson, and recommends it to all who suffer from colds, and coughs. For coughs it acts like a charm, and can be inhaled into the pipes or passages, where no other cough cures can reach
