

SCARED BY SKULLS.

Why the Indians Keep Away From Bellingham Bay.

Seattle Press. One very noticeable peculiarity of the Bellingham bay cities is the absence of Indians and Chinamen.

The white men, finding the savages would far outnumber them resolved to thwart them by strategy, and this is the way it was accomplished.

The Indians on their way to attack them, would have to pass through a thickly wooded ravine that lay on the north side of the Nooksack river.

The whites resolved to play upon the superstition of the red man, and for that purpose had they chosen this dark retreat of which the Indians had long been timid.

The savages came stealing along in large numbers about midnight, and seeing the ghoul-like fire-eyed skulls stretching across their very pathway, they took them for human devils and fled in great fright.

The whites were saved by strategy, and the Indians have ever since held a superstitious fear of this section of the country.

Worlds Last Great City.

Rome, on her seven hills, was as nothing to Seattle's snow-crowned Olympics on the north and west Cascades on the east and south, and from those nightly bulwarks of health, energy inspiration-giving, there arises the mighty Mount Rainier, a-snow above every competitor on the Pacific, reminding one of

SEATTLE, THE QUEEN CITY.

At the base, which, in another score of years, will pass in population every city on the Pacific, the world's largest ocean.

WASSOM'S ADDITION

Is the place where people of money, sense and refinement will make their homes, and why? Because the college, the mineral springs, Ravenna Park, the view of Mount Rainier, which is grander than anywhere else on Puget Sound if for no other reason, would make it most desirable.

In Seattle a mighty city is building. Take hold of the best while you have a chance at lowest prices.

TO THE PIONEER A WORD:

Why did you cross the plains? Why did you take your life and that of others in your hands and come to the Coast? What pen can write the history? You have conquered this land, made the growth of great cities imperative and the amassing of colossal fortunes, almost in a day, possible.

Now, by the investment of a few thousand, or hundred dollars, you may reap the harvest that belongs to you. Will you do it? The greatest corporations, the ablest financiers of Europe and America are investing thousands, nay, millions, in Seattle. Will you not invest? Your chance is NOW. Seize it. I have a 60 acre tract, an 80 and two 40 acre tracts. Only a few left—cheap; ripe for plucking, any one of which will make you a fortune in a short time. Buy quick. I can't duplicate them.

I will be in Albany in a few days and will remain only a day. I would be glad to meet you personally and urge you to join us in the material up-building of Seattle, the Queen City of the Pacific. When in Seattle be sure and call at room 245, Seattle Block, where I will take pleasure in showing you the city.

D-GILL'S CATARRH CURE

FOR SALE BY ALL DRUGGISTS. "Some months ago I purchased a box of Dr. J. P. Gill's Catarrh Cure for my own use, but finding my nephew, C. A. McMahon, needing such medicine I let him have my box of medicine. He now sends for three more boxes, saying it is the best thing for catarrh ever tried by him and his friends. I got another box to use in my case, and cheerfully recommend it to others." (Signed) JOHN McMAHAN, Ex-County Commissioner Lane Co., Oregon.

Springfield, Lane county, Oregon. Prof. J. W. Johnson, president of the State university, says it cured him of a cough after two other prescriptions had failed. Likewise two of his little girls used it to cure their coughs. Mrs. Mark Bailey, wife of Prof. Bailey, sent it to all who suffer from colds, and coughs. For coughs it acts like a charm, and can be inhaled into the pipes or passages, where a other cough cures can reach.
