A TIMELY WARNING.

ALBANY, April 18.
To the Epitor of the Herald.
In these days of intense mental

strain and when intellectual activity is rushing along keeping pace with railroads and electricity, it is a relief to a person's philosophical organism to turn from such complex questions as protective tariff, politics, and domestic economy to something easy. I noticed in one of our periodicals this statement I have no doubt that it will be a surprise to recommendation.

Were rejected by a vote of 35 to 23.

This is supposed to end the last farce in connection with the executive sessions of the senate.

The senate to-day passed a bill increasing the pension of General Milroy's widow to \$75 per month. that it will be a surprise to many. It is this "That hypnotism is the effect of neurosis and that by the Tennessee, read an article from a contraction of the muscles, the New York paper, declaring that a sommambulist is thrown under the gigantic job had been discovered power of the suggestioner." Now in the Southern war claims bill inthis jumps with the notions I have always held on the subject although I never could have stated it in language and I will venture claims, had denounced the bill as infamous. Thomas said he could to say that more than twenty-five per cent of the adult population of Albany had never looked at it in this light before, though it would be the height of absurdity for any one to dispute it and the man that would do so would be as "contrary as the man who was mittee to report it back within two
