A Small Fire. At 4 o'clock yesterday afternoon a fire alarm was sounded. The fire was located in the residence of J. W. Bentley, in the first ward. The fire companies quickly responded, but the fire was extinguished before they arrived. There was no one at home, and the fire had caught in the roof from the kitchen. Mr. Chas. Pfeiffer and some workmen on his new cottages next door broke the floor in and put out the blaze, which had gained considerable headway, with a few buckets of water. The loss was nominal, the principal damage being the burning of a considerable portion of the roof of the kitchen. It was insured in the Northwest Insurance Co. Mr. E. L. Thompson, of this city, being local adjuster for the company, as well as agent, had a lot of carpenters at work in less than 20 minutes after the fire, and the damage will be fully repaired, which shows a commendable promptness on the part of the Northwest company.

A Runaway. Dr. L. N. Woodell's carriage team on away yesterday in the eastern portion of the city. It was driven by Frank Blodgett, and with him was Mrs. Jennie Brown. Young Blodgett was thrown out, but he was not hurt. Mrs. Brown remained in the carriage and was unhurt. The team broke loose from the vehicle and were caught after some trouble.

Returned From the Mines. H. W. White is just in from Quartzville. The road is now open so that supplies can be packed into the mines and several companies are at work. The Santiam district promises to show some good results this season.
