adds: "No power has ever been discovered that is half so cheap as will be electricity obtained by this new process. This has been the dream—apparently impossible of realization—of all electricians, and even the wizard of Menlo Park has almost despaired of its ever being brought about. Yet a young man only 28 years of age seems to have solved the puzzling problem."

The cause of woman suffrage seems to be gaining ground much faster in England than it is in this country. Perhaps after it has been popularized over there it may take root sufficiently in this boasted land of freedom to germinate and grow. Suffrage of itself was really a product of the American republic, practically speaking, yet from present appearances it becomes a necessity to go to an English colony to learn how to correctly apply suffrage—as witness the adoption of the Australian system of voting by the states.

The outlook for grain crops in Crook county is not very encouraging at present. The recent frosts have injured much of the early grain, and now abundant rains are necessary to insure the late grain making a crop. Should Crook county again fail to raise its breadstuff there will be a great drain on the wealth of the county this fall for flour.

Gold for the millionaire, silver for the working man—hammer silver and make gold the invincible ruler, seems to be the tactics of the money power.

To be present at the entertainment given by the pupils of the Sisters Academy. In "Wealth and Wisdom," the principle drama in six acts, are besides amusing scenes of practical life, great sublimity ideas developed, presenting a store of pleasure to intellectual minds. The lively operetta "Rival for Sylvan Dell," bears the stamp of cheerfulness and gaiety whilst the overture and flourishing interludes exhibit the musical attainments of the pupils. Remember that the performance takes place on Wednesday June 18th beginning at 8 p. m. in the opera house of the city. Programmes will be distributed by the ushers. Tickets for reserved seats are sold at Mr. G. L. Blackman's.

GOOD MORNING, GENTLEMEN AND LADIES.

—THIS IS OUR—

FIRST CALL, AND THE PUBLIC IS INVITED TO PERUSE IT

Dear S. L. R.: I consider one dose of Simmons Liver Regulator worth \$100. I was completely cured of my chronic constipation with satisfaction or appetite had the pills, and felt altogether out of sorts. I resorted to Blue Pills, Calomel, Quinine, and every remedy suggested, but only obtained temporary relief. One dose of S. L. R. did more good than \$100 worth of doctor and druggist. Resp'y, C. MARTIN.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache produced by torpid liver, and have been entirely cured by Simmons Liver Regulator. I found it to be so mild a character in its action, as not to interfere, in the least with my duties in the school room. To those similarly situated and subject to the same, I cannot too highly recommend Simmons Liver Regulator. E. F. CHENE Campbellville, Ky.
