The members of F. Co. O. N. G., assembled at the armory last evening under regimental orders, for the purpose of mustering out the members who had served three years, and for the reorganization of the company.

The meeting was called to order by Capt. M. H. Ellis, of the regimental staff. The old members were formally mustered out of service, and the company was then reorganized. All but a few of the boys re-enlisted, who with the new members who enlisted after the formation of the company, make the membership between 50 and 60. The commissioned officers were elected as follows:

For captain, O. H. Irvine was re-elected.

T. J. Overman was elected first lieutenant and J. A. McFerrin second lieutenant.

The non-commissioned officers will be appointed at a subsequent meeting.

The company then proceeded with the election of its officers as follows: Clerk, W. A. Humphrey; treasurer, Charles Cusick; historian, F. E. Beckenridge.

Finance committee.—F. M. French, W. E. Gillette, M. D. Phillips.

Armory Committee.—J. F. Hall, Fred Fortmiller, U. G. Hale.

The old members who re-enlisted are now veterans, and are entitled to veterans' stripes on their uniforms. They will also be excused from drills except once a month.

Capt. Irvine announced that he would issue an order omitting drills during the heated term.

The company then adjourned, and on the invitation of the newly elected officers, partook of an ice cream lunch at Pfeiffer's ice cream parlors.

The Resper Death.

Again the angel of death has overshadowed a happy family circle, and removed the mainstay—the wife and mother. This time it is the beautiful, accomplished wife of Hon. B. R. Henry, formerly of this county now of Washington county. Mrs. Ada L. Henry was born of English parents in Australia and removed from there to the Fiji Islands, where she married B. R. Henry and removed to Oregon. She was lovely in person and mind, and dearly beloved by every person who knew her, and was idolized by her husband and their beautiful and amiable children—a girl and a boy. But one relative, a brother living in Australia, outside of her husband and children is known to exist, yet hundreds of true and loyal hearts wherever she has lived will truly mourn and grieve at her loss in the very prime and usefulness of her perfect womanhood. The children will mourn a perfect and devoted mother and the husband a true and loyal wife and a perfect helpmeet in all cases. The cause of her death was pulmonary disease brought on by an attack of the grippe soon after an imperfect recovery from the measles. She was about thirty years of age and died Monday June 30. Dr. J. F. Henry of Brownsville brother of Hon. B. R. Henry, passed down yesterday to attend the funeral.

The present council consisted of fifty-one voting members. There were about 180 visiting members. It being an annual meeting, the election of officers for the ensuing year was held, resulting as follows: John Medler, president; E. Pittman, vice-president; H. S. Mitchell, secretary; A. Canfield, treasurer; L. Bolton, steward; J. Butler, gatekeeper; P. P. Underwood, chaplain; Andy Allen, agent; J. W. Messenger, J. A. Gulliford, M. W. Freeman, executive committee; J. W. Messenger, M. W. Freeman, E. Oils, committee on cooperation. The quarterly meeting of the next council will be with Highlan 4 grange at Kingsley, Wasco county, on September 9.

SPRING, Oregon, June 30. This community was highly entertained on Saturday June 29th by a very interesting entertainment and school picnic given by the Burkhardt school and Dist. No. 182 where a very interesting programme was carried out, after which the participants repaired to the grove near Mr. Fair Wallace's home, and just back of the school house, there to enjoy to the utmost a delicious repast, after which the young people passed a very pleasant afternoon, singing, jumping the rope, and in other amusements, and the older people in conversation. Gunning For a Lover.

If the father of a daughter of marriageable age, near the coast, had been a better marksman, says the Salem Statesman, there would today have been mourning in a couple of households in that quiet little city. The young lady had a sweetheart, who was to the father, an only son, and the old gentleman, so the story goes, had several times forbidden him the freedom of his home and admonished him to cease paying attentions to his winsome daughter.

But love, he said, knows no bounds nor contains any chafe, and consequently Sunday's nightfall found the young Romeo sailing at were the rungs of the ladder leading to the demise of his child. But the might-have-been father-in-law was not the one to sidly by and thus see his stern mandates disobeyed. He had his old-fashioned vengeance in his heart and a gun in his hand. The young man was so informed by the watchful paternal ancestor, and requested to vanish—skip—sneak—like. He complied not on the order to go, but went at once, not liking to linger longer, and decamping a hasty retreat through the garden the better part of valor.

As he disappeared among the gooseberry bushes and over the back fence the old gentleman took a shot at him—another, and another. But the young man fled unharmed by the leaden missiles—and thus the story ends.

Good Road and Trail.

The Salem Journal says County Judge Shaw and Commissioner Grim went up the Santiam the latter part of the week to investigate the work done in replacing and reopening the next morning, and were pleased to find the work done much better than expected. There is a wagon road to Stewart's about two and one-half miles above Don Smith's (Gastville), and from Stewart's east as far as Brittonbush creek, some 25 miles, there is now an excellent trail; but no wagon road, as the uninformed would have you believe. The O. P. railroad company has made a good trail wherever their track spoiled the old one and Don Smith has done excellent work in clearing the intermediate places.

The Freeman's Tournament.

Messrs. John N. Hoffman, C. W. Watts, A. Barry and Ben S. Worsley, met in Portland Monday and arranged for the next tournament of the Northwest Freeman's Association to be held at Spokane Falls on September 9, 10, 11 and 12. Prizes amounting to \$500 will be offered. The races have been cut down to four, the wet and dry test, the championship and the speed race. There will be no foot races and no hook and ladder contest.

Prostrated by Heat.

Win. Workmaster, while engaged at work on the foundation of the new M. E. Church building yesterday, was prostrated by the heat, and fell insensible. Medical aid was summoned, Dr. Davis being called, and he will recover.
