It Has Been a State of Eruption Since Last Saturday.

Washington, July 21.—The secretary of the interior to-day received a message from Captain Boute le, superintendent of the Yellowstone national park, saying that the great excelsior gryser has and government, to-day received been in a state of cruption since last Saturday, for the first time in trail of the New Zealand, asking it two years. The column of hot the United States congress had water rises from the crater into the air 300 feet.

> DULUTH, Minn., July 21 .- Thousands of people were present on thi-, the first day of the great regetia, and the weather and water was in perfect condition. In the Junior singles the contestants were Nettlet in of Minneapolis, Henderson of Chicago, Cattlin club, Thompson and Winnepeg. N. tileson won by two lengths in 10 4-9; Thompson 2d; Henderson

> The Junior four-oared race re sulted in Winnepeg being 1st, Du-tuth 2nd, Minnes ta 3rd, Luclines

Cat has time was 11½.

The great professional doubl-was a magnificant race. It was a wo nile s ruggle, the winning crew to get \$1500, a coud \$550 and third 1400. Gaudaur and M Kay were the nearest to shore, Teeme and Hosmer next, Hanlon and Wise next and Hann and Teneyes last. The men were sent away by pistol shot. Guadaur and Metray soon forgest anead of Teemer and trosmer. The crews followeone another quite closely. Guad uar and Mckay were the first to make the turn but they were quickly followed by Hosmer and feemer then Hann and Teneych and finally Hanlon and Wise Gaudaur and McKay shot acrosthe line amod cheering and whis less among them some of the best and about four lengths attend. Known people in the city. The Mall efforts of the last two crews to matter is regarded as a great game pass Ho mer and Teemer were useless, although there was but one-jourth of a length between feemer and Hann and also between Hann and Hanion at the finish

Another.

SPOKANE, July 21.-One work train dashed into another in the one of whom cannot live. The yard at Rockford to-day with seri ous results. The train was going 30 miles an hour and the colusion caused a bad wreck. Fireman Nabak had his leg broken in three places and Engineer Hill was severely injured about the face.

A fire in a frame building or Monroe street in this city, occupied by Dunstan's dry goods store, a drng store and a number of offices, caused a loss of \$5000, fully c vered by insurance. A number of inmates barely escaped with their lives. The fire was of in-

ties interested have failed to do as ties interested have failed to do as requested, to the great detriment of the most important industry of all Oregon. The delinquent parties will be cited to appear and show cause why they have not complied with the requirements of the law, and, if they should then still persist in failing to do their duty, they will be punished. We are unattle to see why those who own orchards do not attempt to keep them free from the insertivora that are destroying their trees and lessening the revenues trees and lessening the revenues obtained from them. They are doing their neighbors as well as

Taking a Wise Precaution From the St. Paul Pioneer Press.

Everybody has read Bob Burdett's account of how he brought confusion upon himself by throwing a gold-headed umbrella out of a car window after a departing passenger just as the train was starting, and afterward discovered that the article in question belonged to agentleman still on the train. And every body has laughed at the incident and Bob's resolution consequent upon it. But not every one, perhaps, has had the opporoldins, railroad contractors in this Curb and Corridor representative to witness a similar scene. It hapbetween St. Paul and some of ita suburos. On the train were several little girls and sitting near them a middle-aged woman. At one of the stations where the train stop-ped one of the little girs left the ar. Just as the train started acain, she hastily sna ched up s parcel from the seat near where the girl had been sitting, quickly crossed the car to the side next

CHICAGO, July 21.—The following report of a wreck reported from railroad in this city: The Rock Island express, No. 1, went through a bridge about a mile west of Lymon to-night. The conductor thinks they have found everybody except the engineer. There was one man who was badly hurt, several were slightly hurt. The engine, baggage car, smoker and
