THE FIRE RECORD

Six Hundred Feet of Northern Pacific Trestle Burned.

THE LUMBER YARDS ON FIRE.

Destructive Fire at Ashland \$50,000 Worth of Property Destroyed by Timber Fires in California.

Portland, July 25.—About five o'clock this morning the watchman at the Northern Pacific Lumber Mills discovered a fire in the big pile of lumber. The alarm was immediately sounded and the department responded promptly.

The cause of the fire is supposed to have been sparks falling from the locomotive of a train which arrived here from the South shortly after midnight, and when discovered it must have been burning for some time, as it had got under the trestle.

The mill and yards are situated at the north end of the Willamette river. At this point the Northern Pacific railway crosses the end of the lake on a trestle about 600 ft in length.

The fire department turned out in full, but before the engines could arrive, the entire trestle work had been swept away, and a quantity of lumber valued at about \$50,000 was destroyed.

SEVERELY AN ACCIDENT.

Owing to the fact that a warning signal was not put out on the trestle, the Northern Pacific passenger train narrowly escaped an accident at 6.30 o'clock this morning.

The engine and the locomotive came up and the watchman, realizing the situation, hurried down the track and signalled the train to stop.

The train was stopped and the passengers and mail were transferred around the break and brought up to town. The damage to the rail and wheels is about \$25,000, but repairs cannot be made with safety until the fire is abated.

CALIFORNIA TIMBER FIRE.

A Destructive Blaze Sweeping Over a Large Area of Country.

Milton, July 25.—One of the largest and most destructive grass fires since last July in the district south of Cape Mendocino, covering an area of over 25 miles, large quantities of hay, feed, lumber, wood and building, with a number of dwellings and barns, have been destroyed.

The fire has jumped the Siskiyou river and is sweeping the country toward a Colusa camp. It is estimated that the loss so far is over fifty thousand dollars.

FIRE AT ASHLAND.

Planning Mill and Other Buildings Burned—Loss \$60,000.

Ashland, Ore., July 25.—Fire broke out in the engine room of the Oregon & California Railway at Ashland, last night at eleven o'clock, destroying it and the store, hall and boiler shop belonging to James Helms. The loss is estimated at \$25,000. The fire was caused by a spark from the engine.

CHILDREN BURNED TO DEATH.

One of them Threw a Lighted Match into a Can of Oil.

Riverside, Cal., July 25.—Between 3 and 4 o'clock this morning a fire broke out in the kitchen of the home of the youngest children to die. The fire was caused by one of the children throwing a lighted match into a can of oil.

The fire broke out in the kitchen and the children were burned to death. The loss is estimated at \$25,000.
