BROWNSVILLE.

J. M. Moyer on Monday left for Portland.

Born, August 28, 1890, to the wife of W. S. Powell, a son.

Hop picking will commence on or about the 1st of September.

W. R. Kirk paid Portland a business call on Monday last.

Born, August 24, 1890, to the wife of R. M. Bradley, a daughter.

Born, August 18, 1890, to the wife of John Ed vards, a daughter.

Mrs. Robert Putnam and sister, of Albany, are visiting family relatives at this place.

R. L. Blanchard has received the position of card boss for the Albany woolen mills.

William Dunn is rapidly completing his new residence, situated in Hausman's addition.

The general health of the Brownsville public was never better, there being no sickness of any description.

O. P. Ross will in the future fill the position of card boss at the E. W. M. mill in place of R. L. Blanchard.

The Eagle woolen mills will shortly be lighted by electricity. It is reduces insurance and assures safety from fire.

Peter Hume, cashier of the Bank of Brownsville, is recruiting health and speculating in real estate on Puget Sound.

The dam at the head of the woolen mills race is receiving some needed repairs during the prevailing low stage of water.

The elevator at the E. W. M. company's mill is rapidly being filled with this year's wheat. Large quantities are received daily.

A. P. Howe, in the employ of the Oregon railway, passed Saturday with his family at this place, returning to his duties on the following Monday.

F. F. Croft, of Albany, and Thomas Kay, of Salem, formerly stockholders in the Brownsville woolen mills, paid Brownsville a call during the past week.

The new novelty twister, lately received from Worcester, Mass., has been placed in position and working order at the woolen mills, and is giving good satisfaction.

O. P. Coshow has during the past week sold to P. L. Gerow, T. A. Russell and Albert Windell building lots in Galbraith's addition, also to Fred Webber, one block in Hausman's addition.

Rev. A. LeRoy on Thursday returned from Hood River, at which place he has been visiting his daughter, Mrs. William Rand, and greatly to the regret of his many friends on Saturday last at the regular church meeting resigned his position as pastor of the Baptist church of Brownsville.

J. B. R. Morelock has returned from Seattle, paying his family a short visit. The Seattle flouring mills, in which he is interested in company with J. M. Waters and W. M. Blakely, are fast nearing completion, and will cost when completed about $30,000 and will commence operations about the 1st of October. The milling plant will be one of the finest of its size (200 barrels capacity) on this coast.

The force of men who for the past month have been busily engaged upon the Calipooia trail have about completed their labors and a good road has been opened to the mines, which are attracting considerable attention on account of the gold bearing quartz found in the Poor Man claim, samples on exhibition at this place being very rich in gold, the precious metal being easily discernable under the glass. Quite a number of our citizens leave this week for the "diggins."

Hops in all the various yards adjacent to Brownsville are thrifty and present a very favorable appearance. The present dry spell has as yet done no damage to the crop. Growers are jubilant at the good prices offered, and all indications are in favor of a large yield and paying prices. The wheat harvest is progressing rapidly, the yield being over average and exceeding the farmers' expectations. Potatoes were never more plentiful than now and are smooth. A 1 quality. Although some of our skeptics have declared that Oregon was not a corn growing country, a glance at the numerous thrifty patches in this locality will dispel all such erroneous ideas, for the yield is most bountiful, and the product will compare favorably with any eastern growth.

Take Simmons Liver Regulator One Dose

WORTH

100 Dollars!

DEAR S. L. R: I consider one dose of Simmons Liver Regulator worth $100. I was constipated, had Headache, could eat nothing with satisfaction or appetite had the blues, and felt altogether out of sorts. I resorted to Blue Mass, Calomel, Quinine, and every remedy suggested, but only obtained temporary relief. One dose of S. L. R did me more good than $100 worth of doctors and doctoring. Resp'y, J C MARTIN.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid Liver, and have been entirely cured by Simmons Liver Regulator. I found it to be of so mild a character in its action, as not to interfere, in the least with my duties in the school room. To those similarly situated and subject to the same, I cannot too highly recommend Simmons Liver Regulator.
