

HOW TO SUCCEED.

This is the great problem of life which few satisfactorily solve. Some fall because of poor health, others want of luck, but the majority from deficient grit—want of nerve. They are nervous, irresolute, changeable, easily get the blues and "take the spirits down to keep the spirits up," thus wasting money, time opportunity and nerve force. There is nothing like the Restorative Nerve, discovered by the great specialist Dr. Miles, to cure all nervous diseases as headache, the blues, nervous prostration, sleeplessness, neuralgia, St. Vitus dance, fits, and hysteria. Trial bottle and fine book of testimonials free at Standard & Cusick.
