

HOW TO SUCCEED. This is the great problem of life which few satisfactorily solve. Some fall because of poor health, others want of luck, but the majority from deficient grit—want of nerve. They are nervous, irresolute, changeable, easily get the blues and "take the spirits down to keep the spirits up," thus wasting money, time opportunity and nerve force. There is nothing like the Restorative Nervine, discovered by the great specialist Dr. Miles, to cure all nervous diseases as headache, the blues, nervous prostration, sleeplessness, neuralgia, St. Vitus dance, fits, and hysteria. Trial bottle and fine book of testimonials free at Stanard & Cusick.

A Hero's Age. J. H. Holcomb and wife, of Shelburne, Vt., have celebrated their fifth wedding anniversary, and still hale and hearty. The secret of their long life and good health is that they correct any slight ailment promptly, and do not allow serious sickness to take root. Like most every one else, they are more frequently troubled with constipation than any other physical disorder. To correct this they take St. Patrick's Pills in preference to any other, because, as Mr. Holcomb says, "They are a mild pill and, besides, keep the whole system in good order. We prize them very highly." For sale by Foshay & Mason, Druggists.
