We Can Size You Up!

Just as good as any merchant tailor can, and for considerably less money. We have placed on sale or this week a new line of \$10, \$12 and \$15 suits, actually worth nearly double the money. You'd be surprised if you knew the number of gentlemen we fit out every day in these splendid ready-to-put-on suits. Don't wait, but come at once and see the grandest display you ever gaze upon.

Go Around the World!

If you will, and you'll not find the stock of men's fine, medium and heavy weight suits and overcoats to equal ours, and we'll take a back seat for nobody when it comes to prices. Our goods were all bought direct from the largest importers and best manufacturers in the United States, as low as cash and experience could buy, and this advantage in prices our customers receive.
