

A PROSPEROUS YEAR TO ALL WHO PURCHASE

OF

T. L. WALLACE & COMPANY.

The NEW, Popular and Reliable Clothiers of Albany, Oregon.

The first three months of our business career in Albany has proved more than satisfactory to us. We have met with such flattering encouragement from the citizens of Linn and adjoining counties, that we feel greatly encouraged, and at the commencement of this new and busy year, we take this opportunity of thanking our many friends for their liberal patronage.

DURING THE NEXT SIXTY DAYS

It is our intention to make a Sweeping Reduction in Prices on everything in our line.

Fine all wool Cashmere and Tweed suits, regular price twelve, fourteen and sixteen dollars, will be sold at \$8.00, \$10.00 and \$12.00.

Fine imported English worsted and corkscrews, satin faced and silk lined, guaranteed to fit equally as well as your merchant tailor can fit you, regular price \$25.00 and \$30.00, you can have 'em at \$20.00 and \$25.00.

A full line of choice Dress Overcoats in Melton Kerseys, and imported Worsteds, will be sold at cost. In fact we will make a mighty effort to get every overcoat and suit out of the house, in order to make room for our mammoth stock of Spring and Summer Goods, to arrive here the first of March; and, also, it is our desire not to have any stock left over to become moth-eaten and shelf-worn, as other good, bad and indifferent clothing houses do, but it is our intention to buy for each season new and stylish goods.

We also have on hand a full line of fine Australian Lambs-wool Underwear, which we will sell, to close it out, at \$2.50 a suit, half its actual value and less than cost to us.

We also have a full line of Men's Negligee Overshirts in very handsome designs and finely finished garments. They will be sold at a liberal discount in order to close them out before spring.

We Have the Sole Agency for the Celebrated HANAN & SON'S FINE SHOES.

And are carrying them in all and every different last and size. We can fit the long and lean foot or the fat and chubby.

We also have a large assortment of Buckingham & Hecht's celebrated Boots.

We warrant every pair of boots or shoes we sell. If they rip, we will repair them free of charge; if they wear out too soon we will make you a present of a new pair.
