We are satisfied that we warded off several attacks that were threatening by the use of this syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommend it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

Therefore, consumers will take notice that after January 1st, 1891, the rate on 16-cp lamps burned until 9:30 p. m. will be charged $1 per month as a basis rate, in place of 80 cents as heretofore, for each lamp, and larger lamps in proportion; and lamps burned a later hour than 9:30 will be charged $1.50 for a 12 o'clock light and $2 for all night, same as the present price; and consumers contracting and paying for a 9:30 light and letting their lamp burn all night or a later hour than contracted for, will be charged accordingly without further notice.

Take Simmons Liver Regulator One Dose

WORTH

100 Dollars

Dear S. L. R: I consider one dose Simmons Liver Regulator worth $100. I was constipated, had Headache, could eat nothing with satisfaction or appetite; had the blues, and felt altogether out of sorts. I resorted to Blue Mass, Calomel, Quinine, and every remedy suggested, but only obtained temporary relief. One dose of S. L. R. did me more good than $100 worth of doctors and doctoring. Resp'y, J C Marvin.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid Liver, and have been entirely cured by Simmons Liver Regulator. I found it to be of so mild a character in its action as not to interfere, in the least with my duties in the school room. To those similarly afflicted and subject to the same, I cannot too highly recommend Simmons Liver Regulator.

The Reason Why.

Why is it that Klein Bros. can afford to sell boots and shoes so reasonable? Because they are both practical shoe makers and make their expenses by working on the shoe bench, and any boot or shoe you buy of them, no matter what kind it is, man, woman or childs, that rip, run over or the sole rips loose, they repair them for you free of charge, and as they do all the work themselves, they don't charge you 25 to 50 cents a pair extra for a warrant to pay some shoemaker to repair them for you. They also make a specialty of repairing rubber boots.
