From the Virginia City, Mont. Mailman. When we find a medicine we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that we would off several attacks that were threatening by the use of this remedy, and we have since relieved in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that it is represented to be by the name.
