THE MCKINLEY BILL AND THE FARMER

Two months ago, as our readers will remember...

When gain was lower than cost it was probably produced at least 25 per cent of the reduction...

The chief of police of Detroit has had to step down and out. He allowed the reporters upon the daily paper to distance him in the hunt for an abducted man...

DR. COLE
Physician, Albany, Oregon

Illinois and Springfield, Mass. Read the following from it April 1st, and draw your own conclusions. Prices are still advancing for corn, wheat, oats and cattle...

The little war cloud called up by the precipitated action of Rudini, the Italian Premier, has brought out a burst of enthusiastic patriotism from different sections of Union, that are truly astonishing...

The close observer upon the subject of the Mormon church conference in Salt Lake recently, will notice that the burden of remarks was the great necessity of keeping up the tithes. That seems to be the foundation of the Mormon church...

The French artists are a proud set at it seems, as they have expressed a decided disinclination to send their pictures to this country for exhibition at the world's fair...

Free trade journals did not take cognizance of these facts, or at least failed to call special attention to the crowded train loads of grain that were being run across the line...

If the McKinley bill destroyed the price of the farmers' products when it first became a law, as they asserted at that time, when such products changed to be low...

In closing this article we cannot refrain from quoting the subjoined paragraph taken from a political paper, but from a paper strictly devoted to the interest of the farmer and stock grower...
