How Severe Colds Are Broken Up In Montana.

From the Virginia City, Mont. Madisonian.

When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when la grippe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommend it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason

I have used one of headaches, from which I have suffered whenever I became chilled, for the last fifteen years. I have suffered perfect torture for twenty-four hours at a time, sometimes retching for three hours without any rest and unable to get help from any of the numberless remedies tried. Now I am free from this suffering, for at the first symptom of one these attacks I take a good dose of Moore's Revealed, and that is the end of it. It has also cured me of constipation. My husband says it has saved his life, and he would not be without it. We are both so happy over it we cannot say enough in its favor, and advise all our friends to use it.
