

How Severe Colds Are Broken Up in Montana.

From the Virginia City, Mont. Mail-Advertiser. When we find a medicine we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that it would ward off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

I got another box to use in my case, and cheerfully recommend it to all who suffer from colds and coughs. For coughs it acts like a charm, and can be inhaled in the shape of lozenges, where no other cough cures can reach.
