Morning Daily Acrald OVERHEARD AT THE BALL GAME.

How Base Ball Figured in the Country's Early History.

Some spectators with silk hats sale each morning at H. J. Jones' on were watching the progress of book store, where it can be procured the base ball game yesterday. when one of them remarked, "Do you know what a part base ball played in this country's early his-

No, enlighten me," was the

In sums to sunt, from set to five years, on good Albany and reply. "When the early colonists were busily engaged in subduing the virgin soil and the native red men as well, you know that their only safety lay in the possession of strong forts provided with palis- score by innings sto.d: ades. Well. the Indians were pretty good generals as well as scalp-lifters. At one time they had made an attack on Fort Pottawottami, but the settlers were safely ensconsed within the palisades of the fort. The Inthey showed the white flag and patched up a truce. They smoked the pipe of peace, and arranged a big ball game to celebrate the event. It was not exactly base Sam Goetz's fancy pastry, cakes ball, but they played ball, and by nd bread, fresh every morning, at a prearranged plan they raised

the sphere over the palisades, "over the fence," we would call rings for 50 cents at the corner it, and the whites, who were watching the game and no doubt keeping score, in order to see the mer hats just received at the game go on, opened the gate to let the players get the ball. This Call and see the new line of was the signal for the Indians to gingham wrappers just received at make a dash, and they did, swarm d in and massacred all inside. The colonists thereafter

took no part in the Indian ball games. "Do you vouch for the truth of that story," asked the other.
"Yes, but base ball figured in history another time, of which you are perhaps ignorant. When is visiting at the residence of Linco'n was nominated for the presidency, telegraphic communi-
