

How Severe Colds are Broken Up in Montana.

From the Virginia City, Mont. Advertiser. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that it would cure several attacks that were threatening in the use of your syrup, and we have since relieved, in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

FAIR WARNING.

A HOT WAVE WILL OVERTAKE ALL DELINQUENT TAXPAYERS WHO DO NOT HEED THIS.

This man thinks it is hot, but Sheriff Scott proposes to make it much more tropical for him and all other delinquent taxpayers unless they settle up at once. He has had published for several weeks the following advertisement, but the delinquents are still procrastinating.

TO DELINQUENT TAXPAYERS—In order to force the collection of all taxes standing unpaid on the assessment roll of this county, it is the duty of the sheriff to levy upon the property of delinquents to make collection. Inmate hereof.

Now he proposes to enforce the collection of an unpaid tax. It is not pleasant business, but the duty of his office compels him to do so, and delinquents should pay up immediately if they wish to avoid a legal process and enjoy peace of mind, as this is positively the last call, after which will begin the fire works.

QUARTER OF A CENTURY AGO. There settled in this county one man who has since become a prominent and successful citizen. His name is no other than Mr. John Stewart, one of the wealthiest and most influential citizens in the county. In a recent letter he says: "I had been suffering from pains in my back and general kidney complaint for some time and had used many remedies without any but temporary relief. The pains in my back had become so severe that I was prevented from attending to my work and could not move without the use of a cane. Hearing through a friend, of the wonderful cures effected by Oregon Kidney Tea, I was induced to try a box, and from that very first dose found instant relief, and before using half the contents of the box the pains in my back entirely disappeared. I have since had the virtues of the Oregon Kidney Tea, and can conscientiously recommend it to my friends. I would not be without it for anything."
