THE FOURTH

Was Appropriately Celebrated Throughout the State.

A good many people from Albany attended the celebration of the glorious Fourth at Portland, while many went to Yaquina, Eugene and Corvallis. At the latter place Hon. J. K. Weatherford of this city delivered the oration. At Portland a big demonstration was witnessed by a big throng of people.

At Eugene the militiamen of the Second regiment, O. N. G., assisted materially in the success of the celebration, and the sham battle was the big feature of the day. In the horse contest the Albany team, handicapped by having one of their men (Palmer) ruled out, made the best time 34 1-5 seconds, but met with ill luck in having their horse kinked, which was unforgotten by Mr. C. W. Watts. The time was not allowed. Eugene No. 2 won the first prize in 33 seconds; Salem second in 36 1-2; Corvallis third in 37 1-2.

Successful celebrations were also held at Brownsville, Waterloo, Gatesville and Scio. At the latter place the Mascot Gun Club of Albany went over and did some good clay pigeon shooting. The score stood out of a possible 20: Deyoe, 20; Leiminger, 18; Simpson, 14; Dilley, 16; Blount, 13; Young, 16; Wheeler, 17. Deyoe was awarded the first prize, and Leiminger and Blount divided the second.

Fire at Stayton.

Tuesday of last week Stayton was the scene of a conflagration such as that little city has not witnessed for some time. At about 2:30 the cry of fire was heard and soon the streets were full of men with buckets running towards the fire, which proved to be the residence of Mrs. Bonner. The building was soon reduced to ashes, but the citizens worked manfully to save the adjoining buildings. It is supposed the fire caught from a defective flue and was well under headway before it was discovered. With the assistance of neighbors most of the household goods were saved. Mrs. Bonner, the Stayton Sun says, is a widow and the loss will fall heavily upon her.

Horses Killed.

Mr. and Mrs. Norcross, of Ashland, who have been in poor health for some time, started in a hack for this valley, thinking the trip would do them good and looking after business matters at the same time. While camped one night near Cottage Grove, the train on the Southern Pacific ran over and killed both of their horses. By the aid of a friend, who was traveling in a similar manner, they reached the residence of W. J. McMeekin, near Harrisburg, who is a relative of theirs. Yesterday they came to Wm. Powers', near Shedd, and will arrive in this city on their way to Salem to-day. Mrs. Norcross is a sister of Mrs. R. M. Robertson, of this city.

Death of Senator Cauthorn.

Ex-State Senator T. E. Cauthorn of Benton county, who has been in poor health for a long time, died Sunday at his home in Corvallis. He was an old resident and business man of that city and was highly respected for his integrity and public spirit. A special coach will be attached to the train to Corvallis to-day and the same coach will return to Albany on the freight at 2:50 p. m., so as to accommodate all parties desiring to attend Mr. Cauthorn's funeral. The funeral will be conducted by the Masons, of which order he was a member.

Si Plunkard.

Don't fail to see the parade given by the "Si Plunkard" Co., which appears in Albany on Wednesday, July 8. The band which is composed of twelve members, appears on the street all dressed as farmers, led by Mr. Lewis (Si Plunkard) as the Yankee drum major. The entire conception of the parade is original with Mr. Lewis. Having seen a country band at a country fair, a number of years ago, he conceived the idea of a burlesque parade of this nature, and the parade which will be seen here on Wednesday is the result.

More About Hop Lice.

G. E. Chamberlain, the hop buyer from New York, wants to be understood as having said, at the hop growers' meeting the other day, that the hop louse is more liable to do damage after June 15 than previous to that time. At this time Mr. Chamberlain sees the crop in no immediate danger from destruction by this pest. He says in New York, with ten times the number of lice we have here now, the growers are not alarmed. Mr. Chamberlain reports the hop yards of this part of the country practically free from lice.

Stamp Mill Arrived.

On Monday the Stamp Mill, purchased by the Calipooa & Blue River Mill & Mining Co., at a cost of \$1000, arrived at the S. P. depot, at Brownsville, on the following morning, Tuesday, James Phegley, W. B. Smith and J. E. Knapp, started with their teams to haul the mill to the Blue River, from which point it will be transferred by pack animals, six miles to the Porman claim, set up, and operating in about two weeks.—Brownsville Times.

The La Grande Fire.

Just after the celebration of the Fourth of July Saturday a fire broke out in the hotel at La Grande and a large amount of property was destroyed. The entire city was, for a time, threatened with destruction. The loss will be about \$125,000, with insurance of about \$40,000.

COAST NOTES.

Interesting Items from Exchanges Throughout the Northwest.

The Nebalem Journal issued a Fourth of July edition in red and blue inks.

The heavy rains during the past month have insured an immense crop in Lower Cove this year. The number of acres planted in potatoes is larger than ever before.

It is being unofficially noised that McMinnville is not going to have a fair this year, as the fairs the past two or three years have not been financial successes.

It is reported at Union that an organized band of professional horse thieves is operating in the mountains adjacent to the valley and in the region extending to Saake river.

Several new houses have been constructed in Upper Astoria since the first of the year, and as the streets in that portion of the city are to be improved, this section will be decidedly benefited.

A committee from the Bay City Board of Trade will shortly meet with a like committee of Tillamook, and deal on a general plan of action in regard to getting improvements for Tillamook bay and bar.

For the first time in many months the whistle of the Eastern Oregon Consolidated Mining Company's mill at Cracker Creek, near Baker City, blew Tuesday morning. It was the signal of a resumption of operations.

Fred Fennel, 17 years of age, son of Charles Fennel, who lives near West Chehalis, accidentally shot himself last week. He was out hunting, and while standing on a log, with the butt of his gun resting thereon, the gun slipped and discharged its contents into the young man's arm. The muscles were so badly injured that the limb had to be amputated.

The young men of Milton are agitating the matter of organizing a militia company, and on Monday a letter was written to Colonel J. H. Houghton, of the Dallas, inquiring as to the vacancies in his regiment and the chances for success.

Gill-net fishermen on the Lower Columbia are encountering an unusual difficulty this season. The salmon are said to be so large that the meshes of the net are too small for their capture. Fishers with seines are doing well, however, as high as six tons per day being caught by one man.

A case was brought before the Lane County Medical Society Monday that puzzles all the physicians, and there is not a similar case on record. It is a child four years old, living at Cottage Grove. One-half of its body is larger than the other, the right side being the larger. The dividing line is through the center of the nose, and the entire body exactly in the center. The child has been in this condition since its birth, and as the doctors can do nothing for it, life will be short.

Joseph Deal, charged with manslaughter, pleaded guilty at Heppner, Monday, and was sentenced to ten years in the penitentiary.

Twenty-seven head of hogs afflicted with a contagious disease were killed and buried by Stock Inspector Wynne at Pendleton Wednesday.

Rev. J. C. Richardson, of Eugene, fell backwards out of a wagon, striking on his head and shoulder, rendering him unconscious for some time.

A son, aged 5 years, of Robert Deal, living near Prairie City, was accidentally shot while playing with a pistol. The attendant physician says the child cannot recover.

Hon. C. S. Dustin and Mrs. Susie Gearheart were married at the residence of the bride's parents near Monument last Sunday. Mr. Dustin was a prominent member of the house of representatives last session.

Rev. P. C. Parker died at his residence in Oakland, Douglas county, Or., June 28, 1891, aged about 81 years, having been born in Tennessee in 1807. He was a Mexican War veteran, having served under Joe Lane as a first lieutenant in an Indiana volunteer regiment.

Staley Hawkins, a young man about 23 years of age, cut his throat with a razor one day last week near Toledo. He was taken to his home at Elk City, where he died the next day from the wound inflicted. It is thought the rash act was committed while in a fit of temporary insanity.

O. R. Knab, an old and experienced miner of Grant county, has discovered a lode of rich free-bearing gold quartz on Canyon mountain. In mountains which surround John Day City there lie innumerable lodes of gold-bearing quartz, which are but awaiting the developing hand of man.

Crops in Baker county never were more promising, and the range, too, is in fine condition, says the Baker City Democrat. This fall will find cattle in splendid shape for market, and as there is a scarcity of beef both East and West the demand made upon the bunchgras hills of Eastern Oregon herd owners will realize handsomely.

Last Tuesday while H. F. Fischer, of the Corvallis flouring mill, was plowing in his garden on the river bank his horse became frightened at some boys who were in swimming and ran away. During the run the sharp edge of the plow struck the horse in the hind leg, nearly severing it, rendering the animal worthless, and to put it out of misery Mr. Fischer killed it. It was a fine black animal, and was valued at \$300.

Remember that Searls has a fine line of gent's furnishings that are going for cost.

THE ALBANY PUBLIC SCHOOL.

Prof. J. B. Horner Elected Principal for the ensuing Year.

The board of directors of the Albany public school met yesterday and selected the teachers of the school for the ensuing year. They are as follows: Principal, J. B. Horner. Assistants, Miss Mary D. Sedgwick, Mrs. Kate M. Aiken, Miss Isabella Gray, Miss Abbie Wright, Miss Clara Gard, Miss Euphemia Crosscut, Miss Mattie Laughlin, Miss Mary Blount.

The only changes are the selection of the principal and Miss Blount, who takes the place of Miss Morris. The latter has already accepted a position in the Salem school.

Albany is fortunate in securing Prof. Horner as principal of the school. He is a well-known Oregon educator, is a graduate of the Willamette university and has taught 20 years in Oregon. He has recently been teaching in Roseburg, where he was re-elected for the seventh year. The Albany school is in good hands for the ensuing year at least.

THE TEMPERANCE TEMPLE.

TO THE EDITOR OF THE HERALD:

Next to the Woman's Temperance Publication Association the Temperance Temple, in course of erection in Chicago, is the pride of the Woman's Christian Temperance Union as a financial enterprise. It is being rapidly pushed to completion, and the following editorial comment, clipped from The Interior, I have thought might be of interest to your readers.

"The Woman's Temperance Temple is the handsomest building in Chicago. The two wings we would call the Two Sisters, standing on a pedestal of granite, in graceful drapery, and with beautiful lace work, covering their shapely shoulders. It looks like woman's work. They have easily distanced all other architecture in the city—nor have we seen anything elsewhere so unique in architectural stateliness and beauty. The interior now gives it up. We have been telling the women for twenty years that they must not usurp authority over man; that they must keep silent, and that when they wanted to know anything, they should come and ask The Interior—but it is all of no use. They do the temperance work, the mission work, build and sustain the hospitals; and when we want rooms in their temple, charge us \$2 per square foot for their work. There is no doing anything with these women, except to get out of their way."

Wood Wanted.

Sealed proposals will be received by the clerk of district No. 5, Linn county, Oregon, up to Monday, July 13th, 1891, to furnish said district with 80 cords of grub oak wood and 5 cords of split fir wood, the latter to be split from the body of large trees, four feet long and free of knots. The oak wood to be four feet long and not less than three inches in diameter at the small end. The board reserves the right to reject any or all bids. Albany, July 1, 1891.

C. G. BURKHART, dist. clerk.

A Small Blaze.

The vigorous ringing of the fire bell on the afternoon of the Fourth called out the fire department in a hurry. The fire was in the Chinese quarters, and was extinguished quickly by a stream of water from the hydrant on First street.

On The Snagboat.

Capt. George Raab, of the steamer Hoag, has made his last trip on that boat. He now takes charge of the government snagboat at Corvallis, and will be at work on the upper river for some time.

ABSOLUTELY PURE

OREGON CROPS.

Following is the Crop-Weather Bulletin, No. 17 for the week ending Saturday, July 4th, 1891. In co-operation with U. S. Weather Bureau.

WESTERN OREGON.

Weather—Warmer generally cloudless weather prevailed during the week. No rain fell. The night temperatures varied from 45 to 60 degrees, the heat of the day varied from 70 to 90 degrees. The winds have been northerly fresh in force.

Crops—The weather conditions have been very favorable to the growth of crops. Wheat is heading nicely and the excellent prospects for the wheat crop heretofore noted continue. The weather is extremely favorably to having operations, which are now in full blast. The previous wet weather damaged the hay crops to some extent, but nevertheless the yield will be above the average both as to quality and quantity. The fruit crop is doing very well. Royal Ann cherries are fully equal to former years. The Black Republican is not so good. Prunes and plums will generally make about an average crop. Hop lice are prevalent, damage is being done, yet hop growers in for an average yield. Corn is doing well and promises a good average yield. Early peaches are ripening and will be in market inside the next ten days. Strawberries are nearly over. Raspberries and blackberries are still plentiful.

EASTERN OREGON.

Weather—Warmer and generally cloudless weather has prevailed. No rain has fallen. On June 29th and 30th, July 1st, 2nd and 3rd were very warm, the temperature in the heat of the day ranging from 85 to 95 degrees, except of course in the more mountainous regions and higher elevations where it was cooler.

Crops—The weather has been just what was needed and desired. Haying operations are in full swing. Wheat and rye are heading in excellent shape. There has been an absence of the hot drying winds and the previous excellent wheat prospects continue, spring wheat has especially made vast improvement. On July 1st the first Oregon peaches were ripe and shipped from the Dallas. Cherries are ripe in Grant county. T. rough-out the entire section the present prospects are most flattering for a successful harvest.

Beautiful Women.

The magical effects of Wisdom's Robeline as a beautifier and preserver of the complexion have been attested by thousands of the leading ladies of society and the stage. It is the only article ever discovered which gives a natural and beautiful tint to the complexion, removing tan, sunburn, freckles and all roughness of the face and arms, leaving the skin soft, smooth and velvety. All remark on its delightful, cooling and refreshing properties, a distinction not found in any similar preparation on the market. Sold everywhere.

Mothers?

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhoea and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses, 35 cents.

Instrumental Music Taught.

I have been bothered with catarrh for about twenty years; I had lost sense of smell entirely, and I had almost lost my hearing. My eyes were getting so dim I had to get some one to thread my needle. Now I have my hearing as well as I ever had, and I can see to thread as fine a needle as ever I did, my sense of smell is partly restored, and it seems to be improving all the time. I think there is nothing like Ely's Great Balm for catarrh. Mrs. E. E. Grimes, Rendell, Perry, Co., O.
