

How Severe Colds are Broken Up in Montana.

From the Virginia City, Mont. Mailman. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when the grippe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

FAIR WARNING.

A HOT WAVE WILL OVERTAKE ALL DELINQUENT TAXPAYERS WHO DO NOT MEET THIS.

This man thinks it is hot, but Sheriff Scott proposes to make it much more tropical for him and all other delinquent taxpayers unless they settle up at once. He has had published for several weeks the following advertisement, but the delinquents are still procrastinating:

TO DELINQUENT TAXPAYERS—By order of the county I am directed to force the collection of all taxes standing unpaid on the assessment roll of this county. If any taxes are not paid immediately, I shall proceed to levy upon and sell the property of delinquents to make collection. I mean business.

Now he proposes to enforce the collection of all unpaid taxes. It is not pleasant business, but the duty of his office compels him to do so, and delinquents should pay up immediately if they wish to avoid a legal process which will bring the last call, after which will begin the fire works.
