The Advance is the name of a new paper started in Eugene by Adams & Alexander, devoted to the interests of the farmers' alliance movement. It presents a neat and attractive appearance. Klein Bros. have a new advertising scheme and wanted us to advertise the same in the Herald, but as it is against the U. S. postal law to advertise lotteries we were obliged to decline them and will explain the same by saying that they have a fine line of cigars on which they give a ticket to every purchaser of \$3 or over. The sale of reserved seats for the Keene company in "Held by the Enemy" opens this morning at Will & Link's music store. We would advise all desiring to purchase to assist in welcoming this splendid company to secure their seats early, as our patriotic citizens will doubtless crowd the house to witness the great play to be given that night. Gerald Crawford, four-year-old son of J. G. Crawford the artist, had the misfortune on Saturday, while playing ball with some other boys to get his toe mashed, by a horse tied in the street stepping upon it. At first it was thought that the toe would have to be amputated at the first joint, but Dr. W. H. Davis dressed the wound and thinks the toe can be saved.

Through the Cellar.

Wells Fargo's Expressman Stimpson, drove up in the rear of the office last evening, and while standing the team backing up until one horse fell backward into one of the small cellar windows. He was relieved of his harness and slipped down into the cellar where George mounted and rode him out at the front steps and the rear door in the pavement in front, without any material injury. That was a new method of unharnessing a horse, but Stimpson does not intend to adopt it for general occasions.

Roadway Accident.

Mrs. Clara Pfeiffer, of the Revere house, and Mr. Sullivan and little girl, guests of the Revere house, were out riding last evening with Mr. Pfeiffer's horse and buggy. The horse became frightened at a bicycle rider who met them in the road and became unmanageable. Mrs. Pfeiffer and the little girl were considerably bruised up but no serious damage was done.

Firemen Play Ball.

The game of baseball yesterday between Albany Engine Co. No. 1 and the Hook and Ladder boys resulted in a victory for the firemen by a score of 19 to 20. The game was very close throughout, and both sides acknowledged the receipt of a few horse collars. The college nine and the "Hawthorners" will play a game this afternoon.

The city recorder and city treasurer's quarterly reports were read.

Resolutions were read condemning property for sewer work in the eastern portion of the city as follows: A. B. Matthews, Julius Grandbold and Thos. Hopking. Several sidewalk contracts were let. RESOLUTIONS OF RESPECT.

In memory of Iva Lee, a member of the society of "Kings Daughters," of the M. E. church. Had of promise, precious treasure, Sifted from loving hearts away. Done with toil and grief, and pleasure. With God's angels now she'll stay. Wanted He, this little daughter. To sing praises round His throne. From our circle she is missing. For the King has called his own. WIERKAS, It has pleased our Heavenly Father, in his divine wisdom, to remove from our midst Sister Iva Lee, therefore be it

Resolved, That we extend our heartfelt sympathy to the family so lately bereaved. Resolved, That in the death of our sister, the "Kings Daughters" have lost a loving mate. Resolved, That a copy of these resolutions be sent to the bereaved family, and that a copy be placed on the records of the society, also furnished the press for publication.

On last Sunday was shown a lump of gold amounting to \$1.81 that was taken from a small amount of the quartz.—Ochoco Review.

GRASS AND GRASSES.

The Oregon State Immigration Board has employed Mr. E. N. Morgan to gather grasses and other plants of the Willamette and other valleys of Western Oregon, and it is hoped that the representative farmers and people in different localities will take an interest in showing upon the two advantages the agricultural resources of Oregon will do their share towards furnishing the board with the very best samples, not only for the Portland industrial exposition, but also for the cars that are to be sent East by the board September 1. Anyone having fruits, vegetables, grains, grasses, etc., to exhibit can forward them to the Oregon Immigration Board, No. 10 1/2 street, Portland, by Wells-Fargo express free of charge.

Brain Was Plain.

John Griffin's dog started a bear at Johnson's place on Jenny creek, one day recently, and followed all the way to the McMillersoda spring on Butte creek, some twenty miles, and tried it there. A goose was at that place heard the dog barking, knew who they were and started for the tree expecting to get the bear. The bear was there and they had killed it, but the goose contentedly struck out for home.

Recent Assays.

Mr. R. Harris who recently took different specimens of rock from the ledges belonging to the Golden City Company in the Santiam district, had assays made which range in value from \$3.50 to \$972.29 to the ton. The showing is exceedingly good.

There are over 200 miners reported as being at the Diamond peak mines already, and before the first of August it is expected a genuine boom. There seem to be paying mines there, and those who are first on the ground reasonably expect to secure the best locations. The abundance of game and fish in the vicinity attract many who have no special interest in the mines.

Mothers.

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quins pain, cures diarrhea and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it rest, to strengthen the body and sleep. Castoria is the children's panacea—the mother's friend. 35 doses, 35 cents.

A HORRIBLE AFFAIR.

Alex. Pomeroy Formerly of this City Has An Eye Torn From Its Socket. In a scuffle with a man by the name of Wm. Henderson near Oregon City last Friday Alex. Pomeroy, formerly of this city, sustained the loss of an eye. It appears that Pomeroy and Henderson had trouble over some straw and Alex. ordered the latter of the place. A fight ensued in which both fell to the ground, and Henderson seized a bottle that was lying near and broke it over Pomeroy's head. He then gathered a fragment and commenced jabbing him in the face, and nearly tore Pomeroy's right eye from the socket. Henderson was arrested and placed in the county jail at Oregon City. A physician was called and removed the sightless eye. Mrs. E. B. Pomeroy, of this city, went down to visit her son arriving the day after the horrible affair.

RECKLESS CONDUCT.

Which Will Probably Cause a Fatal Hurt to a Young Boy. On the 4th of July, across the river from Gates, on the Oregon Pacific, at a picnic ground, where quite a company was assembled, a young man named Harry Sullivan, about 17 years of age, seized a young boy 10 years old, the son of Mr. Ray, whose home is below Mill City, and threw him over a bank. The boy struck on his head and shoulders, causing a fracture of the skull, from which there is small hopes of his recovery. He is lying in a precarious condition in the hospital. Mr. Ray was in this city yesterday.
