

How Severe Colds are Broken Up in Montana.

From the Virginia City, Mont. Madrasian. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use as we have several of our friends whom we have recommended it. It is all that is represented to be by the manufacturer. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshy & Mason.
