

How Severe Colds Are Broken Up in Montana.

From the Virginia City, Mont. Medicinal. When we find a medicine we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when la grippe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

The pain in my back had become so severe that I was prevented from attending to my work and could not move without the use of a cane. Hearing through a friend of the wonderful cure offered by Oregon Kidney Tea, I was induced to try it, and from that very first dose I found relief, and before using half the contents of the box the pain in my back entirely disappeared, and I was able to resume my work.
