WHEAT AT 85 CENTS.

A Pool of 16,000 Bushels Sold at Tangent at That Figure. The wheat market which has shown a brisk upward tendency for several days, reached a figure yesterday that caused a considerable lot to pass into the hands of the purchasers. The wheat sold was a pool at Tangent, and it is learned on good authority from that place that 15,000 bushels was sold to Mr. W. H. Goltra, of this city, at 85 cents. The pool, it is learned, is still open for all the wheat offering at that figure both at Tangent and in Albany. This is a good healthy price for wheat, and will doubtless cause considerable more wheat to move.

A Good Day for Runaways.

Three runaways in an hour is a pretty good score, but such was the case between 5 and 6 o'clock last evening. One of J. N. Combs' truck teams started down Lyon street, closely followed by A. B. Lacey's team. Combs' team ran straight down Lyon street and stopped at Second, but Lacey's team turned up Sixth and were captured in the outskirts of the city. The damage was nominal. The next on the programme was a farmer's wagon down in the lower ward. This runaway came near proving a serious affair. At the bridge across the water ditch on Second street it passed Mrs. Parish and Miss Helm in a buggy, barely grazing the hind wheel. Miss Helm fainting away when she saw the horses coming. The last seen of the farmer's wagon it was still going.

The Sodaville Motor Line.

A member of the Board of Directors of the Sodaville Motor Line company informs the Lebanon Express that Mr. Cheadle is willing to sign deeds to right-of-way, which will remove every hindrance; and that work will be begun in thirty days towards building between Lebanon and Sodaville.

Mr. Huston will put on six and eight horses to a wagon for the heavy pieces, some of which are said to weigh 2 1/2 tons.
