How Severe Colds Are Broken Up in Montana.

From the Virginia City, Mont. Madisonian.

When we find a medicine we know to possess genuine merit' we consider it a duty, and we take pleasue in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when la grippe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommend it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

The Question of the Hour.

And one that is frequently asked Mr. Wisdom, "what is it in your Robertine that produces such a delightfully cooling and refreshing sensation and adds a most delicate tint to the complexion?" to which we answer: It is a combination of rare and harmless ingredients scientifically prepared. There enters into the composition of this article ingredients which have never before been used in prepartions of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. The powders used in the composition of Robertine are all of the very smoothest and finest divison it is posible to profuce, futher more each and every ingredient must stand the crucical test of chemical purity, insuring freedom from all foreign and deleterious substances. Thus with rare and harmless ingredients of the very finest division it is possible to make all of absolute purity and combined with scientific precission, it is but natural that we should produce a superior article and one that has long been aptly termed the "Peerless Beautifier." ELY'S CREAM BALM

A QUARTER OF A CENTURY AGO

There settled in Baker county Oregon, near what is now Baker City, a man who has since become identified with the resources and development of that country. This man is no other than Mr. John Stewart, one of the wealthiest and most influential citizens in the county. In a recent letter he says: "I had been suffering from pains in my back and general kidney complaint for some time, and had used many remedies without any but temporary relief. The pains in my back had become so severe that I was prevented from attending to my work and could not move without the use of a cane. Hearing, through a friend, of the wonderful cures effected by Oregon Kidney Tea, I was induced to try a box, and from that very first dose I found instant relief, and before using half the contents of the box the pains in my back entirely disappeared. I have every faith in the virtues of the Oregon Kidney Tea, and can conscientiously recommend it to my friends. I would not be without it for anything."

Oregon Kidney Tea cures headache, incontinence of urine, brick dust sediment, burning or painful sensation while urinating, and all affections of the kidney or urinary organs of either sex.

ake 'immons Liver Regulator One Dose

100 Dollars.

DEAR S. L. R: I consider one dose Simmons Liver Regulator worth $100. I was constipated, had Headache, could eat nothing with satisfaction or appetite; had the blues, and felt altogether out of sorts. I resorted to Blue Mass, Calomel, Quinine, and every remedy suggested, but only obtained temporary relief. One dose of S L R did more good than $100 worth of doctors and doctoring. Resp'y, J C MARTIN.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid Liver, and have been entirely cured by Simmons Liver Regulator. I found it to be of so mild a character in its action as not to interfere, in the least with my duties in the school room. To those similarly situated and subject to the same, I cannot too highly recommend Simmons Liver Regulator.

He now sends for three more boxes, saying it is the best thing for catarrh ever tried by him and his friends. I got another box to use in my case, and cheerfully recommend it toothers.

(Signed), JOHN McMAHAN,
Ex-County Commissioner Lane Co. Oregon,

Springfield, Lane county, Oregon.

Prof J. W. Johnson, president of the State university, says it cured him of a cough after two other prescriptions had failed. Likewise two of his little girls used it to cure their coughs. Mrs Mark Bailey, wife of Prof. Bailey, sent it to Prof. Johnson, and recommends it to all who suffer from colds and coughs. For coughs it acts like a charm, and can be inhaled into the pipes or passages, where no other cough cures can reach.
