JULIUS JOSEPH. Manufacturer of Choice Cigars

---AND DEALER IN-

cor to Pffeiffer's candy store, Albany, Oregon,

THE PILPIT AND STAGE,

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26

lbs. in weight."
Arthur Love, Manager Love's Funny Folks Combination, writes: 'After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption, beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to uge them to try it.' Free trial bottes at Foshay & Mason, Drug Store: Regular sizes 50c. and \$1 00.

REMARKABLE RESCUE.

Mrs Michael Curtain, Plainfield, Hi, makes the statement that she caught cold, which settled on her lungs; she was treat d for a month by her family physician, but grew worse. He told her she was a hopeless victim of comsumption and that no medicine could cure her. Her druggist sug-gested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself bene fitted from the first dose. She con tinued its use and after taking ter bottles, found herse, f sound and well now does her own housework and is as well as she was.—Free trial bottle of this great Discovery at Foshay & Mason's Drug Store, large bottles 50c,

SPECULATION DANGEROUS.

Scarcely a day passes without the news of some large failure flashing over the wires -the usual result of speculation in stocks or some equally dangerous venture. The same electric eu rent carries to dear distant triend the sad tidings of death of loved ones -too often the result of speculation in patent nostrums. Moore's Revealed Remedy is no speculation but is sold on positive guarantee. Do not fail to go to your druggist and ask for your money if not satisfied. We known you will go and buy another bottle

OUR CANDID ADVICE,

vard is lousy and is close to the Bowen yards. Mounts will not have over a fifth of a crop. Kays will have probably three-fourths

of a crop, and Jerman will have about a half crop. Summing it all up, buyers and growers are of the opinion that there will not be over two-thirds of a yield in this part of the country this year. the country this year. There are many new yards, but it cannot be said the acreage of bearing yards is Eyen Naval Matters Favor the Insur this any greater than it was last. The high prices of 1890 encouraged gents It is More Than Probable the War is Ended. many people to plant hops, but these yards cannot be figured on

this year, for hop vines never bear much the first year. It is likely the 1892 acreage will be large, but that of 1891 is not greater than it was the preceding year. No price is quoted on hops, as there are none in market. As soon as samples of the crop can be sent East hope of reorganication. The reolutionists have taken possessio for examination a figure will be

tions it is not questioned that the figure will be pretty well up. The nominal quotations are now 15@ 20c. Buyers think a good quality hop will bring a good price as soon as the market is fairly open. From some sections of the country good reports come. On the higher grounds there are fewer hee, while on lowland vards the pest is reveling. The Levy and Dove yards are practically free from vermin, and hese are large fields. Mr. Beardsley is still in doubt whether or not it will pay him to pick. Last year he had about 300 bales. The expense of picking, curing and pack-

GREEN RETURNS.

And Is Not Disconcerted With His Escapade.

New York, Aug. 29.-Douglas Green, who was, until nearly two years ago, a member of the firm of Green & Bateman, of this city, well-known stockbrokers, has re-turned to Wall street for the first time since he ran away with Alice Snell McCrea. He was apparently in the best of health and spirits. Mr. Green had little to say of his future intentions. He had been in San Francisco and intended to readjust his business affairs in New York as speedily as possible.

It is said by those who gossip had been made for his services by destroyed by fire, caused by a 4- good broker and skillful operator year-old boy playing with matches. in the stock marl et. One story ie New York representative of P. D. Armour, of Chicago, with first time the appearance of a whom he is said to be on the best he would not be content to operate

Of his career since he left New York Mr. Green said little even to his most intimate friends. Some who had talks of a more or less confidential nature with him said that he had not been idle while in up to the famous Holland herring Europe and San Francisco, but had een doing considerable speculating all the time he had been away rom Wall street. It is said that he would not make application for reinstatement as a member of the

tock Exchange. MYSTERY EXPLAINED.

Watch in a Fish Interior Tells the

New Haven, Conn., Aug. 29,-The mystery which has for two years surrounded the sudden disappearance of Charles Whaley, of North Lynn, is believed to have been cleared up.

Joshua Halford caught a pickeral in a hog pound in Lyme which weighed between five and six pcunds. When preparing the fish for cooking Halford found in its stomach agold watch and chain. On the inside of the watch case was engraved the name of Charles Whaley. It was shown to people who knew Whaley and they at

On the morning of July 3, 1889, seemed as though each succeeding Whaley told the foreman of his farm that he was going to Hartford on a business trip, and would be absent for several days. He was never seen again. Whaley was a bachelor and was reputed to be worth \$150,000. The general belief is that he committed suicide.

ILLEGAL RLECTIONS. None That Will Hold for Two Years.

WAR IN CHILI.

The Insurgents Gain the Day After Fierce Fighting.

BALMACEDA HAS FLITTED

New York. Aug. 29.-Latest Balmaceda's power in Chili is broken. His army has been crushed after five hours hard fighting and scattered beyond al

of Valparaiso, with Balmaceda named, and from present indicapractically a fugitive without resources in men or money, with the principal seaports in the hands of the congressionalists. With President-elect Vieuna a refugee on board a German man of war and the country flocking in masses to the standard of of the in vaders, it is a matter of only a few days when the capital will fall into the hands of the revolutionary leaders. General Canto and hi army won yesterday's battle by superior generalship and hard fighting, assisted by good fortune in killing off Balmaceda's generals and the consequent demoralization of the army and desertion of entire regiments. Furthermore there has not been harmony it the military council of President Balmaceda, as both Barbora and Alezorreca wanted the supreme command. This jealousy resulted in an almost open rupture, and these officers worked at cross pur-

The battle commenced early vesterday and raged fiercely. The insurgent troops were on the hills ment as if the boat was going above the race track at Vina del Mar and held control of the railroad. Balmaceda's troops moved

to dislodge them. As soon as the approaching colowns got within range a destructive fire was opened by the entrenched revolutionists. The government troops, however, advanced steadily. They were soon near enough to return the fire, but shot shell, grape and cannister tore through their ranks, until. about his return that several offers despite the efforts of the officers. they broke and retired, almost in concerns which regarded him as a a panic. As soon as they got out-good broker and skillful operator side of the range of the deadly fire, the officers worked like six years in the navy." Then to say. came another attack. In stead ranks the government troops speces of a large herring in of terms. Another story was that into the torrents of fire and lead which blazed from the insurgents' celebrated Restorative Nervine. than the spring run, and the spring run, and on his own hook.

They guarantee it to cure headache very fat and of a superior on his own hook.

Of his career since he left New content in the four famous trotters, Nelson, instant but then went on. A short Stamboul, Nancy Hanks and Allerdistance further on, General Alzerreca fell from his horse wounded unto death. Again the the kind ever offered on the Pacific

line wavered and General Canto coast. If the owners consent to gave the order to charge, with send their horses here, the race a wild yell. The congressional will probably be arranged for the army left their defences and last day of the meeting, Saturday, charged on the now retreating September 12. army. The artillery poured deadly fire into the ranks of Balmaceda's troops. The loss of offi-cers had left the latter without a head and all efforts of the subordinate officers to rally them were of no avail. The retreat became a the battered tramp, gracefully acrout and a panic and then utter demoralization. The government cavalry made a stand, but it was They were literally cut to short. Volley after volley was coured into the demoralized mob. The desertion of whole regiments rom Balmaceda's command to the

ranks of the insurgents is confirmed- They were those, however, who had been forced into the ser vice, and took the first opportunity to escape to the other side. By advice the marines from United states war ships in the harbor of Valparaiso were sent on shore to protect the United States consul tc., rendering important service

Balmaceda's whereabouts are till unknown, but it is thought he nas made good his escape.

RAILROAD AT AUCTION,

New Combinations Block Its Pros pects and It Stops.

Cincago, Aug. 29.-By order of he United States circuit court the Pacific Short Line railroad will be sold at auction next Tuesday under foreclosure proceedings. Among the bidders it is understood will be the Illinois Central. Chicago, Milwaukee and St. Paul and Northwestern. The road was originally intended to run from Sioux City to Ogden, U. T., par-alleling the Union Pacific and shortening by several hundred miles the present rail distance from the Missouri river to the Pa-

Up to last fall the road has been built between Sioux City and O'Neal, 130 miles. The enterprise looked promising enough until last fall's financial panic. Then Gould had gobbled the Union Pa- L. Viercek's barber shop to the cific, and it was understood to be hailding adjoining Brown's barber hand in glove with Huntington, who controls the Central Pacific. where he is prepared to do work The latter road, which is the only in a first-class manner. He inoutlet from Ogden to the Pacific vites his customers to continue coast, was in hostile hands therefore, and the Pacific Short Line quarters,

of a receiver, and is now to be

The Illinois Central is said to be anxious to get possession of the road, so as to gain access to the Black Hills territory. If the Chicago and Northwestern buys it, it may ultimately be completed to cago and Northwestern buys is, is may ultimately be completed to Ogden, if not actually extended to the Pacific coast. The Chicago, Milwaukee and St. Paul would like to control the line because is traverses a rich agricultural section and taps the Wyoming oil coal fields, insuring a profitable source of revenue to the company

source of revenue to the company operating it. dispatches confirm the news that HE WAS A COMMON FARMER

But He Knew What to Do in a

Squall Just the Same It was ladies' day of the Rochester Yaciri Ciub, and as one of the yachts was on its way out of the river towards the lake one of the yachtsmen noticed a man of distinctly agricultural appearance lolling on the pier, says the Chi-

eago Herald. "See that farmer over there?" said one of the sailors. "I'll bet take the jay out and have some un with him." The rest of the crew assented and the captain called out: "Say, farmer, want to "Wal, I dunno. Ain't goin' out

fur. be ye?" "Oh, no; only going out for a little sail. There's no danger."
"Wal, b'gosh, 'f ye ain't goin' out fur I'll jest have to go ye."
And he climbed awkwardly aboard, sat down in the cockpit,

and looked curiously around. After being out for a short time the squall that scared so many of the yachtsmen on ladies day came up and on this particular yacht, before the sailors knew what had struck them, a mainsail halyard snapped and it looked for a mo-

over. There were a dozen orders given, but before any of them be executed the farmer shinned up the mast, captured the flying halyard and bringing it to the deck made it fast with as perfeet a hitch as was ever made on board of a man-of-war. Then he walked back to the cockpit and

sat down again. After the squall had died down and the excitement had subsided the captain said to him: "You're no farmer. You must have been a sailor.

"Wal," said the farmer, "I was And the vachtsmen had nothing
