The Question of the Hour, IN AR', SCIENCE AND INDUSTRY asked Mr. Wisdom, "what is it in your Robertine that produces such delightfully cooling and refreshing sensation and alds a most delicate tint to the complexion?" to which we answer: It is a THE -!- STOCK -!- DEPARTMENT ingredients scientifically prepared. There enters into the composition of this a ticle ingredients which have never before been used in prepartions of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. The powders used in the composition of Robert ine are all of the very smoothest and finest divison it is posible to produce, futher more each and every ingredient must stand the crucical test of chemical purity, insuring freedom from all foreign and deleterious substances. Thus with rare and harmless ingredients of the very finest division it is possible to make all of absolute purity and combined with scientific precission, it is but natural that we should produce a superior article and one that has long been aptly termed the "Peerless Beauti-fier." Moore's Revealed Remedy

Stands peerless as the natural remedy reculiarly adapted to the wants of womankind. WHAT ONE WOMAN SATS.

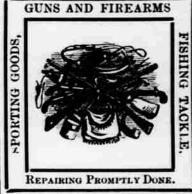

Seattle, Jan. 20, 1891. "I want you to publish my testimo-nial for Moore's Revealed Remedy, for it has been a grand thing for me, for it has cured me of headaches, from which I have suffered whenever I be-came chilled, for the last fitteen years. I have suffered perfect torture for twenty-four hours at a time, sometimes retching for three hours with-out any rest and unable to get help from any of the numberless remedies tried. Now I am free frem this auftering for at the first symptom of one these attacks I take a good dose of Moore's Revealed, and that is the end of it. It has also cured me of constipation. My husband says it has saved his life, and he would not be without it. We are both so happy over it we cannot say enough in its favor, and advise all our friends to use it.
