The Question of the Hour.

And one that is frequently asked Mr. Wisdom, "what is it that your E. Bertine that produces such a delightfully cooling and refreshing sensation and adds a most delicate tint to the complexion?" to which we answer: It is a combination of rare and harmless ingredients scientifically prepared. These enter into the composition of this article ingredients which have never before been used in preparations of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. The powders are all of the very smoothest and finest division it is possible to produce, further more each and every ingredient must stand the crucial test of chemical purity, insuring freedom from all foreign and deleterious substances. Tinted with rare and harmless ingredients of the very finest division it is possible to make of all absolute purity and combined with scientific precision, it is but natural that we should produce a superior article and one that has long been aptly termed the "Peerless Beautifier." "I want you to publish my testimonial for Moore's Revealed Remedy, for it has been a grand thing for me, for it has cured me of headaches, from which I have suffered whenever I became chilled, for the last fifteen years. I have suffered perfect torture for twenty-four hours at a time, sometimes reaching for three hours without any relief and unable to get help from any of the numberless remedies tried. Now I am free from this suffering, for at the first symptom of one of these attacks I take a good dose of Moore's Revealed, and that is the end of it. It has also cured me of constipation.
