

How Severe Colds are Broken Up in Montana. From the Virginia City, Mont. Medication. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that it was of several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as we have recommended it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

There enters into the composition of this article ingredients which have never before been used in preparations of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. The powders used in the composition of Robertine are all of the very smoothest and finest division it is possible to produce, further more each and every ingredient must stand the crucial test of chemical purity, insuring freedom from all foreign and deleterious substances. The delicate and harmless ingredients of the very finest division it is possible to make all of absolute purity and combined with scientific precision, it is but natural that we should produce a superior article and one that has long been aptly termed the "Peerless Beautifier." MRS. GRAHAM'S CUCUMBER AND ELDER FLOWER CREAM

It is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, creamy velvet skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and blackheads will never come while you use it. It clears the face far better than soap and water, nourishes and builds up the skin, keeps and thus prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as non-toxic to the skin as the dew is to the flower. Price \$1.00, at all druggists and retail stores. At Mrs. Graham's Creams establishment, 101 Post Street, San Francisco, where she treats ladies for all blemishes of the face or skin. Look at a picture treated by letter.
