A NATIONAL EVENT.

The holding of the World's Fair in a city scarcely fifty years old will be a remarkable event, but whether it will realty benefit this nation as much as the discovery of the Restorative Nervine by Dr. Franklyn Miles is doubtful. STATE AND COAST.

The Number of Patients at the Insane Asylum Increasing.

NEWS FROM THE CAPITAL.

The Next Grand Lodge of Knights of Pythias Will Be Held in Albany News From Tillamook.

SALEM, Oct. 14.—Margaret H. Hale was brought to the insane asylum to day from Multnomah county. She is 89 years of age and has been in the asylum before.

At the meeting of the state board of education and the trustees of the state blind school to day, the resignation of Miss Olive Capwell as superintendent was accepted, and Rev. E. S. Bollinger was appointed in her stead. Mrs Bollinger was made matron. These officers take charge at once. Miss Capwell's resignation brings the agitation to a close.

WILL MEET IN ALBANY.

The Next Grand Lodge of Oregon Knights of Pythias.

PORTLAND, Oct. 14.—There are over 125 delegates attending the grand lodge of Knights of Pythias. The meeting will be continued until Friday, when the election of officers will occur. It is thought that grand chancellor A. A. Cleveland, of Astoria, will be re-elected.

In the selection of the next place of meeting the contest will be spirited because of the many competitive points in the field. Astoria is making a big pull for it. Pendleton also wants it. Salem is bidding. Grants Pass and Roseburg are both in the field and Corvallis sets up her claims, but Albany is sure to win the prize. The feeling among the delegates is decidedly in favor of Albany and there is no doubt but that Albany will be selected.

TILLAMOOK ELK.

They Stampede and Destroy a Settler's Cabin.

A dispatch from Glenora, Oregon says that Ed Donaldson, who resides on his claim five miles northwest of there, was surprised by a band of about seventy-five elk which become stampeded from some cause and came dashing down through his camp, wrecking his cabin, and Donaldson had a close call for his life. As soon as he could recover from the fright and extricate himself from the debris, he seized his rifle and downed four of the best of them. The shooting evidently addled the animals for after running a quarter of a mile they turned and doubled on their trail when seven more were slaughtered, among which was a monster white one. Mr. Donaldson came to town late that night, and next morning a pack train started out to bring in the meat.

Mr. Jacob R. Reehr, a recent arrival from Kansas, and an old G. A. R. man, who received an ugly wound at the battle of the Wilderness, had the misfortune yesterday to fall off a log and sustained severe injuries. He was fishing at the river, and while endeavoring to land a monster trout, his foot slipped, and he fell six feet, landing on the rocks below, breaking three ribs and his left arm below the elbow. A physician was summoned at once, who reduced the fractures, and the old gentleman is now doing well.

News From Tillamook.

GLENORE, Or., Oct. 14.—The packtrain which went to the scene of the elk slaughter, an account of which has appeared in these dispatches, returned last night, bringing in about 5000 pounds of choice meat. Ed Donaldson, the gentleman who made the killing, had another close call. While leading a loaded pack animal over a steep bluff the critter stumbled and fell, and Ed, in his endeavor to save his meat, was jerked over the embankment and his left shoulder dislocated. He was brought in here and sent to Tillamook for medical treatment.

A heavy rain set in last night, and work on the telegraph line had to be suspended to-day.

COAST NOTES.

The young athletes of Astoria talk of organizing a boat club.

Sam Hixson, wanted in Lane county for the robbery of George Fenluer, near Cresswell, has been captured at Laramie City, Wyo. Sheriff Noland, of Eugene, has gone to bring him back to Oregon.

Oregon at the World's Fair.

The question of Oregon's exhibit at the World's fair is one which materially affects the interests of the whole state. It is to be regretted that nothing as yet has been done in this direction. At the meeting of the chamber of commerce in Portland Tuesday evening, the matter of Oregon's representation at the Columbian World's Fair was brought up and was referred to a standing committee, appointed some time since, consisting of E. W. Allen, D. Solis Cohen, H. Folger, L. Samuel and Ellis G. Hughes, who are to confer with the committee appointed by the state board of commerce. Should the chamber of commerce succeed in doing what the legislature refused to do, they will deserve the thanks of the whole state, but it will require more than thanks to accomplish the desired result and to have Oregon properly represented before the world at the World's fair.

Killed a Wild Cat.

Bay City Tribune: C. C. Babbidge and wife and J. S. Elliott and wife visited at the Barnard ranch on Sunday. While eating dinner they heard the dog barking and Mont went down in the timber to see what was up when he ran on to a big wild cat. As soon as the cat saw him it made for him and Mont found it convenient to ascend a friendly tree that stood by the way side. Hugh Barnard crawled behind a log and shot the cat just as it was getting ready to climb the tree, and released Babbidge from his perilous position. The cat measured six feet from tip to tip.

A Public Functionary Shocked.

Washington Post.

"Some Western ladies rather startled me the other day," says Captain Dinsmore, the popular guardian of the White house, "by wanting to know if 'Lige Halford' was in. It turned out that they were old acquaintances of the secretary, and he was very glad to see them.

"But a few days after that I got a worse shock; one that took my breath away. A neatly dressed gentleman, a stranger to me, asked me with a pleasant smile if 'Ben was at home.' It was the president's brother, and I think he rather enjoyed my amazement."

WARCLOUDS THICKEN

RUSSIA SAID TO BE SPOILING FOR A FIGHT.

England Proposes to Restrain the Boldness of the Russians, and There May Be War.

LONDON, Oct. 14.—The return of Lord Salisbury to the foreign office is believed to be chiefly with reference to the threatening state of affairs in the East. The Russian defiance of British power in Asia, by the virtual seizure of the Pamir, the question of Dardanelles, and the renewed demand of the porte for the evacuation of Egypt are the foreign issues imperatively demanding Lord Salisbury's attention. If it is true, as reported, that Captain Younghusband has been killed by the Russians, while attempting to explore the Pamir, Lord Salisbury, it is expected, will take stern measures, if necessary, to restrain the boldness of the Russians.

Salisbury, on behalf of England, has informed the porte that if vessels of the Russian volunteer fleet are allowed to pass the Dardanelles, Great Britain claims the same right for her "volunteer" vessels.

Moscow, Oct. 14.—The Russians are massing their troops toward the Afghan frontier, and Russia is rather anxious for a pretext to make war on the Afghans. The ameer of Afghanistan is said to be fully aware of Russian intentions, and anxious for English assistance.

Indianapolis Goes Democratic.

INDIANAPOLIS, Ind., Oct. 14.—The city election to-day resulted in the election of the entire democratic ticket, by majorities now estimated at from 1500 to 3000. Sullivan, for mayor, the present incumbant, runs 1000 ahead of the ticket. The campaign was the most exciting and bitter in the history of the municipal elections.

Coming After American Wheat.

ST. PETERSBURG, Oct. 14.—The government is negotiating for the purchase of a large quantity of breadstuffs in the United States.

Aug Hornung, a well known manufacturer of boots and shoes at 820 Nolan St., San Antonio, Texas, will not soon forget his experience with an attack of the cramps which he relates as follows: 'I was taken with a violent cramp in the stomach which I believe would have caused my death, had it not been for the prompt use of Chamberlain's Colic Cholera and Diarrhœ Remedy. The first dose did me so much good that I followed it up in 20 minutes with the second dose, and before the Doctor could get to where I was, I did not need him. This Remedy shall always be one of the main stays of my family." For sale by Foshay & Mason.

A RAGING STORM.

Terrible Loss of Life and Property on the Atlantic.

MANY STEAMSHIPS MISSING.

The Waves Run Mountain High—Much Damage Done on Both Land and Sea.

NEW YORK, Oct. 14.—Cable communication with the Continent was badly crippled yesterday by a violent storm which raged along the coasts of France and England. Nearly all the land lines between the cable stations on the Irish coast and London, Liverpool and Paris were prostrated, and all the cable companies, except the Commercial, were partly paralyzed. The Western Union gave up entirely for a time, but the Anglo-American and the Direct managed to worry along with greatly reduced facilities. The trouble all lay on the other side. The companies could get messages across all right, but no further, owing to the condition of the land lines. The effects of the storm on the other side were felt about 9 a. m., our time.

ON THE ENGLISH COAST.

LONDON, Oct. 14.—The furious gales which have been raging all over England, Ireland and south Scotland for over twenty-four hours continues to-day. Passenger boats, which usually venture out in the most severe weather, were unable to cross last night. From all sections comes the report of damage done and lives endangered. It is impossible yet to give an approximate idea of the damage done on land and sea or the lives lost. At Helensburg, a watering place on the firth of Clyde, the streets are flooded and people driven from their homes. Two passenger trains between Glasgow and Helensburg were brought to a standstill by waves, which threatened to wash away the tracks. The fires were put out and the engines are unable to move. Escape from the cars is impossible. All attempts to reach the travelers failed.

LOSS OF LIFE AND PROPERTY.

NEW YORK, Oct. 14.—Waves nearly thirty feet high at Rockaway beach are washing the dwellings and boats to sea. Many pleasure crafts are missing since Sunday, and it is feared they have been lost with all on board. Sunday afternoon George W. White, Alfred Kane, Mark Thursby and Alden Little, of New York, hired two boats equipped for shark-fishing. One boat has been found washed upon the beach without its occupants, but nothing has been seen of the other. A boatman says a large boat and six small boats, holding in all sixteen men, let out Sunday afternoon to a fishing party, have not been seen since, and it is thought that they were carried out to sea.

THREE BIG STEAMERS MISSING.

NEW YORK, Oct. 14.—Three of the big steamboats from New York to New Haven are long overdue at their destination. Anxiety is felt for their safety. The Erastus Corning, of the Starin line, left pier 13, North river, on Sunday night at 9 o'clock. The John H. Starin, of the same line left at 9 o'clock on Monday night, and the Continental, of the old New Haven line, left Peck slip shortly after 8 o'clock on Monday night. All were bound for New Haven. Nothing has been heard from them since their departure. A telegram from New Haven last night said that none of the three had been reported and that grave fears are entertained for their safety. The Corning had about sixty passengers on board, as also did the Continental. The John Starin had less than a dozen passengers. All were laden with cargoes of general merchandise valued at many thouusans of dollars.

STEAMER REPORTED LOST.

ST. JOHN'S, N. F., Oct. 14.—It is reported here that the Anchor Line steamer City of Rome, which sailed from New York, October 10, for Liverpool, has been lost at St. Shotts.

THE YANTIC SAFE.

WASHINGTON, Oct. 14.—A telegram was received at the navy department announcing the arrival of the Yantic at Norfolk this morning. Although the Atlanta is not heard from, no fears are felt for her safety.

A STEAMSHIP ASHORE.

HULL, Mass., Oct. 14—The steamer Bostonian, which sailed from Boston for Liverpool this morning, is ashore in George's shoal.

FOUR YACHTSMEN MISSING.

NEW YORK, Oct. 14.—The sloop yacht Geraldine, with four well known yachtsmen of South Brooklyn on board, went out from Gravesend bay on Sunday morning and has not been heard from since. Their families fear they were blown out to sea, in which case their chances would not be at all good unless they were picked up by some larger craft.

A Fatal Shooting Affray.

MERCED, Cal., Oct. 14.—James Sullivan, a laborer in the employ of the Crocker-Huffman Land and Water Company, had trouble yesterday with James Shelley, foreman of the same company. The latter beat Sullivan, and Sullivan came to town, bought a revolver, returned to camp this morning and shot and killed Shelley.

A SOMNAMBULIST'S FATE.

A Young Lady Meets Death While Walking in Her Sleep.

BUFFALO, N. Y., Oct. 14.—About 4 o'clock this morning a young lady passenger in a sleeper on a west bound train of the New York Central was seen to leave her berth and walk to the rear platform. As she did not return, the porter raised an alarm and the train was stopped. She could not be found, but later on an operator at Crofts station found her lying near the track with her head cut open and badly bruised. She was brought to this city and died in a short time. The police say her name is Mary McLaughlin, and that she was en route to Bay City, Mich. The supposition is she was a somnambulist.

THE CHINESE TROUBLES.

Report That the Foreign Ministers Have Ended Negotiations.

LONDON, Oct. 14.—The Times has a dispatch from Shanghai which says the foreign ministers in China have broken off negotiations with the government, and have announced to China that now their own government must act.

A DENIAL.

WASHINGTON, October 14.—It is said at the state department the report from Shanghai that the foreign ministers had closed negotiations with the Chinese government cannot be true so far as the representatives of this government are concerned, for the reason that no instructions of that character have been issued by the president, and the acting minister would hardly presume to take such an important step in the absence of positive instructions.

MORE EARTHQUAKES

CALIFORNIA TOWNS AGAIN VIOLENTLY SHAKEN.

The Damage Much More Than at First Supposed—The People Terrorized.

NAPA, Cal., Oct. 14.—Four shocks of earthquake were felt here this morning. At 4:30 A. M., people were startled with quite a heavy shock, and several lighter ones have followed. The damage done by Sunday night's shock is much more than was at first supposed, and will amount to several thousand dollars. Many of the people here were so terrorized by the shock of Sunday evening that the slightest quake now starts them into the streets.

PETALUMA, Cal., Oct. 14.—Another lively earthquake shock was felt here this morning about 4:30 o'clock, and a much lighter one about 7. The vibrations were north and south.

A QUEER WEDDING.

A Drummer Marries a Fortune But Gets No Wife.

NEW YORK, Oct. 14.—The story is printid here that Louis P. Rollins, of Brooklyn, a traveling salesman, has fallen heir to $250,000 through a romantic marriage. The bride was Kate E. Norcross, the daughter of a wealthy Boston lumber dealer. He met her at a summer resort. The father died two weeks ago, leaving all his fortune to his daughter, who was taken ill with pneumonia soon after. When told that she must die she insisted on marrying Rollins. The wedding occurred between midnight and 1 o'clock Saturday morning, and the bride died ten hours later, after making a will leaving nearly all her property to him.

An Army Officer Arrested.

NEW YORK, Oct. 14.—Major Charles B. Throckmorton, of the United States army, commander at Fort Schuyler, was placed under arrest yesterday and relieved of his command, pending an investigation of charges of issuing worthless checks and duplicating his pay vouchers.

A Farmer Shot and Killed.

GAINESVILLE, Tex., Oct. 14.—Word is just received from Wynewood, I. T., that Monday night a farmer named Smith was called to his door by two strangers who shot and killed him. They are still at large.
