

NEW SEVERE COLDS ARE BROKEN UP IN MOUNTAINS. From the Virginia City, Mont. Medicinal. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter when in a grippe was prevailing. We are satisfied that it would ward off several attacks that were threatening by the use of your syrup, and we have since relieved in a few hours, severe colds, add in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

THE QUESTION OF THE HOUR. And one that is frequently asked Mr. Wisdom, "what is it in your Robertson that produces such a delightfully cooling and refreshing sensation and adds a most delicate taste to the complexion?" To which we answer "It is a combination of rare and harmless ingredients scientifically prepared. There enters into the composition of this article ingredients which have never before been used in preparations of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. This powder used in the composition of Robertson are all of the very smoothest and finest division it is possible to produce, finer more each and every ingredient must stand the crucial test of chemical purity, insuring freedom from all foreign and deleterious substances. Thus with rare and harmless ingredients of the very finest division it is possible to make all of absolute purity and combine it with scientific precision, it is but natural that we should produce a superior article and one that has long been aptly termed the "Peerless Beautifier."
