

New Severe Colds Are Broken Up in Montana.

From the Virginia City, Mont. Mailsonian. When we find a medicine we know to possess genuine merit we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when a gripe was prevailing. We are satisfied that it warded off several attacks that were threatening by the use of your syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use as have several of our friends whom we have recommended it. It is all that is recommended to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Foshay & Mason.

The Question of the Hour. And one that is frequently asked Mr. Wisdom, "what is it in your Robertson that produces such a delightful cooling and refreshing sensation and adds a most delicate tint to the complexion?" to which we answer: It is a combination of rare and harmless ingredients scientifically prepared. There enters into the composition of this article ingredients which have never before been used in preparations of this kind, hence the effect is so strikingly different from that produced by all other toilet remedies. The powders used in the composition of Robertson are all of the very smoothest and finest division it is possible to produce, fatter more each and every ingredient must stand the crucial test of chemical purity, insuring freedom from all foreign and deleterious substances. But with rare and harmless ingredients of the very finest division it is possible to make all of absolute purity and combined with scientific precision, it is but natural that we should produce a preparation of this kind which has long been aptly termed the "Peerless Beautifier." MRS. GRAHAM'S CUCUMBER AND ELDER FLOWER CREAM

It is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, velvety skin, and by its use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind, and prevents sunburns and freckles, and blackheads will never come while you use it. It closes the face far better than any and water, and it builds up the skin tissue and thus prevents the formation of wrinkles. It gives the complexion a softness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to have it, as it gives more youthful appearance to any lady, and that permanently. It contains no acid, and is as refreshing to the skin as dew is to the flower. Price \$1.00, at all druggists and mail order stores. Or, to receive a free trial, send for a sample to Mrs. Graham's establishment, 103 Post Street, San Francisco, where she treats ladies for all skin troubles. Write for the free trial, and a distance treated by letter. Send stamp for her little book, "How to be Beautiful."
