MRS. GRAHAM'S CUCUMBER

Is not a cosmetic in the sense in which that term is popularly used, but permanenty beautifies. It creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several scades whiter. It is a constant protection from the effects of sun and wind and prevents sun ourn and freckies, and blackheads will never come while you use it. It cleaness the face far better than soap and water, nourseles and builds up the skin tissues and thus prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. Price \$1.00, stall druggists and haird casers, or ac.
