Epiphany. This is what you ought to have, in fact, you must have it, to fully enjoy life.

Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon.

And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and out the demon dyspepsia and install instead Euphropy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys, and \$1.00 per bottle by Foshay & Mason, Druggists.

REMARKABLE RESCUE. Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse.

He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, and her own household and is as well as she was.—Free trial bottle of this great Discovery at Foshay & Mason's Drug Store, large bottles 50c, and \$1.00.

OUR CANDID ADVICE. It is seldom that we appear in the roll of spiritual advisers of family physician but there are times when we feel justified in calling the attention of our many subscribers to an article of true merit.

We feel justified in saying that Moore's Revolvered Remedy contains more actual merit than any medicine it has ever been our good fortune to test. One trial will make you as enthusiastic as the writer.

DEAR S. L. R. I consider one dose of Simonson's Liver Regulator worth \$100.00. I was constipated, had headache, could eat nothing with satisfaction or appetite, had the blues, and felt altogether out of sorts.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid Liver, and have been entirely cured by Simonson's Liver Regulator. I found it to be of so mild a character in its action, not to interfere, in the least with my duties in the school room. To those similar, sit up and subject to the same, I cannot too highly recommend Simonson's Liver Regulator. R. E. CURRER, Campbellville Ky.
