COAST DEFENSES,

The matter of a better system of The purpose of Mr. Armour and coast defenses is one that is prom- the teachers who are engaged in inent before the people at present. this enterprise, is not to remove Action upon it is pending in con- the scholars instructed from their gress, and a thorough discussion present surroundings but to imand understanding of the subject should be had. The Omaha Bee reters to the fact that United States Senator Dolph of Oregon makes a strong plea for adequate coast defenses, a matter which recent circumstances have induced the people of the country to take greater port of the work of mission. This ator Dolph has given very close known the world over, and the attention and study to this subject volume of whose weekly transand when he urges its commanding actions amounts to millions, is importance it is with a full knowledge of the facts and a just appreciation of the dangers. In order to realize these it is sufficient to know that 5,000 miles of sea-coast, with numerous harbors and important seaboard cities and an extensive and valuable commerce upon the Great Lakes, are practically defenseless. Property to the ded by all who have tried them, value \$4,000,000,000 would be exposed to destruction in case of war exclusive agent. Samples may be with a naval power. Senator Dolph is one of those who wisely Bazaar. believe that the time has not yet arrived when it is practicable to settle all national disputes by arbi- ting the liver, stomach and bowels sct upon the theory that we shall cure biliousness, bad taste, torpil never again be involved in foreign liver, piles, constipationr Unwar. Neither the history of our equaled for men, women, children. own country, he remarks, nor that of other nations gives promise of Stanard & Cusick.

Smallest, mildest, surest! 50 doses for 25 ceuts. Samples : ee, at Stanard & Cusick. perpetual peace. He believes, also that the best means of preserving an honorable peace is preparation and cure of painful and iregular for war. The knowledge that an menses, and will remove all obadversary is prepared to resent an structions, no matter what the insult or take redress for a wrong will make a nation careful to avoid cause for offense. While prepara tion for war might make us tenacious of our right it would make other nations more ready to accord them to us. A principal cause of do their duty towards themselves, congressional inaction in this matter of coast defenses has been the sleeplessness and female troubles. apathy of some of the representa- Let them follow the example of tives in both branches of congress Mrs. H. Herbechter, Stevens of the interior states. Senator suffered greatly from Nervous Pro-Dolph very properly regards it as a stration and sleeplessness, tried of the Union is not interested in without success. But one bottle this question. The injury caused by an attack upon any one of our like a new person. Mrs. Elizabeth great sea coast cities would not be Wheeler, Laramie City, Wyoming-merely local. They are the depots who tried all other remedies, deat which are stored the surplus of the Nervine for Headache, products of human labor in almost Nervous Prostration, etc., she was every banch of industry. They are entirely relieved. Sold by Stanard the termini of the great transportation systems of the country. They are the centers of wealth and trade. In case of the construction or blocade of one of them, commerce, foreign and internal trans- will keep the best of fresh fish, portation, and the financial busigame, poultry and general produce ness of the country would be market, and invite a share of patdemoralized and the whole country ronage. Call and see us. would suffer. The shock would be felt throughout the Nation's financial and commercial system, and Dr. Humphray's Specifics are scientifically and carefully prepared prescriptions; used for many years in private practice with success, and for over thirty years used by the people. Every single specific is a cure for the disease named.

These specifics cure without drugging, purging or reducing the system, and are in fact and deed the sovereign remedies of the world. the continuance of the demorlization for a period of thirty days would result in loss to the country at large greater than the cost of fortifying our entire coast. This subject premises to have prominence in the deliberation of the world, List of Frincipal Nos. CURRS. PRICES.
