paralyze the legislative department in its attempts at reconstruction in the South. But on the whole the message will be found acceptable to the large majority of the American people. It will not be a panacea for all our national ills, stop finantial panies, prevent famines pestilences nor yet a hard winter, as many croakers and grumblers against the pres ent administration would seem to indicate that it should do. We have not space in our paper this week for this important document.

THE WEATHER.

dents this snow may lie on for a from the limbs of the slave. month or six weeks. Every ten years it has almost invariably been the rule in this country to have a hard winter and we suspect, this being the eleventh year since we have had a severe winter season that we are to have it now. Well we and farmers have plenty of proven- beckoned to a passing carriage. The comparatively good, so we shall get along finely though the storm blast come and the snow fall deep.

severer up the Valley and in southern Oregon than here, according to the dispatches, the snow having sixteen inches at Yreka in northern California.

'The November storms have been severer in New York and New Engyears. Already the Erie canal is fast above Montreal in Canada. The

war on unhappy Spain, that government acceeds to the ultimatum of the United States, to restore the Virginius with the surviving prisoners of that most wanton outrage, salute the American flag and recompense the widows and orphans of our slaughtered citizens. This is well and better than we expected, knowing the fierce nature of the Spaniard, and the inexplicable complication of affairs in the Spanish Republic. A thousand Cubas would not repay us for the loss of blood n7:1y that a war would cost, not counting

the expense of treasure and the Last Saturday morning the snow demoralization of society that must began to fall here and fell to the have followed.
