Independent. Grove Forest

FOREST GROVE, WASHINGTON COUNTY, OREGON, SATURDAY, DECEMBER 20. 1873.

Attorney General Williams.

We hear the rain fall, not the snow. peak, to right and with their grievances, the dificulties that the President has nominated Bitter grief is loud, calm grief is sithey had to contend with and the this civil officer to the position of lent.- [Auerbach.

Grains of Gold.

Few words are wise men's counters, they do but reckon them; but they are the money of fools.-[Thomas]

There is a double ignorance, as farmers of this State a redress of portion speaking highly of his merits Parliament, ignorance of the fact great stove, looking speculatively at

dustry. He referred to the rich one "not fit to be made." The come from men; morality is every All sects are different, because they

Holmes disposed of a bigot at once, of clubs and granges to secure their give to the duties of his new office let into it the more it contracts.

they make in pouring it out.- [Pope.

A pitiable weakness is that which cannot accept a clearly defined position, and labor faithfully and honestly to perform all the duties contained

He was then put upon a scale with nothing on except a pair of pantaloons, and weighed, and lastly and finally he was clothed in the convicts' regulation garb - a striped shoddy suit of green and brown-aud consigned to his cell. While part of this routine was going on, William M. Tweed, Jr., stood in the warden's office, with a look of melancholy dejection on his face, A half-dozen the door. Presently it opened, and the keeper McDonald, bounced in and crying out to a convict employed around the office, said, rather excitedly. " Say, Bill hand me a lar-ceny jacket." "Bill" jumped There is no solitude like that of briskly to his feet, and from a shelf the society of unlike, unsimpathizing on the left of the office pulled down natures, kept together by external the required article. Young Tweed appeared not to notice this little incident, though he must have known, when he compared his mind to the as everyone else present did, that for his father. On the way back from the Island the party that ac-It is with narrow-souled people as companied the once mighty Tweed with narrow-necked bottles, the less to the last scene of his degradation they have in them the more noise spoke not a word, but mused as the steamer steamed down the river, on The saddest mistake in life is that the harndess of the ways of trans-
