A mail from Astoria to their fetid's reams over the field of Gulf is nearly all under water. The round west. the Nehalem country would give all polities. This is the position the for the Riv route is from twelve The idea is at least pure, and the ideal from Frier's Point to Vicksburg on Towns sean this be new, who once has the mult facilities that are needed; many pure and good women hold. to thirt, six hours quicker than the route overland: The average time of the everland route will be two the above conclusion, that wome days and a half, by the River as it is now, two days, and when the cars run to Portland in the evening the liquor to 11: is false. The falsity mail will reach Astoria from Forest Grove in twenty-four hours.

Take a Rest.

Farmers, you have a short breathing spell between this and bar e t now why not take your familie; and govent into the mountains and give votr trives and children, as well as yourself, a rest from the cares of the kitchen and the farm work. Your wives have been housed up for twelve months, many of them not having the privilege of going to church on Sauday and many others move favored who have this privilege only once a month. They have while you have had one day out of get your neighbor to so too-and !. hie away into the mountains where the branzas blow, the mountain etreams marmer, the springs bubble from the living rock, and the brown deer roams. Thus a week's recreation will cose you nothing and will bring back the bloom to the checks of your wives and daughters, and they will return to their home; with ! renewed strength and zest for their labors. And you will all be strong for the barvest toil.
