FOREST GROVE NOTES.

(From our Regular Correspondent.) Considerably more excitement prevailed at the town election on Monday than was anticipated.

Wallace R. Struble, secretary of the Oregon immigration board, has made his annual report. Mr. Struble estimates that the total number of people represented at the board rooms during the year was 12,820.

Nothing Like a Boom. A man who had not been in a certain Dakota town for something over a year was recently talking with a man who lives there and happened to refer to the stream of the place as situated on a "creek."

The state military board met Tuesday with all the members except Surgeon General Taylor present. Most of the time was consumed in auditing vouchers, and the consideration of financial business.

The sum of \$15 per month was allowed each company for army rent for the five months ending December 31, 1887. The sum of \$200 was appropriated to each company to aid in the purchase of uniforms.

The board authorized one drummer and two musicians to each company, and \$10 was allowed to each company for the purchase of instruments.

Santa Aho soothes and heals the membranes of the throat and lungs, when poisoned and inflamed by disease. It prevents night sweats and rashes across the chest, cures coughs, croup, asthma, colds, bronchitis, pneumonia, whooping-cough and all other throat and lung troubles.

My children have been peculiarly subject to attacks of Croup, and failed to find any effective remedy until I commenced administering Ayer's Cherry Pectoral. This preparation relieves the difficulty of breathing and invariably cures the complaint.

I have used Ayer's Cherry Pectoral in my family for many years, and have found it especially valuable in Whooping Cough. This medicine allays all irritation, prevents inflammation from extending to the lungs, and quickly subdues any tendency to Lung Complaint.

I find no medicine so effective for Croup and Whooping Cough, as Ayer's Cherry Pectoral. It saved the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough I ever saw.

Ayer's Cherry Pectoral, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price 50c; six bottles, \$2.50.

There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood.
