What is this Disease that is Coming Upon Us?

Like a thief at night it steals in upon us unawares. The patients have pains about the chest and sides, and sometimes in the back. They feel dull and sleepy; the mouth has a bad taste, especially in the morning. A sort of sticky slime collects about the teeth. The appetite is poor. There is a feeling like a heavy load on the stomach; sometimes a faint, all gone sensation at the pit of the stomach which food does not satisfy. The eyes are sunken, the hands and feet become cold and clammy. After a while a cough sets in, at first dry, but after a few months it is attended with a greenish-colored expectoration. The patient feels tired all the while, and sleep does not seem to afford any rest. After a time he becomes nervous, irritable and gloomy, and has evil forebodings. There is a giddiness, a sort of whirling sensation in the head when rising up suddenly. The bowels become costive; the skin is dry and hot at times; the blood becomes thick and stagnant; the whites of the eyes become tinged with yellow; the urine is scanty and high colored, depositing a sediment after standing. There is frequently spitting up of the food, sometimes with a sour taste and sometimes with a sweetish taste; this is frequently attended with palpitation of the heart; the vision becomes impaired, with spots before the eyes; there is a feeling of great prostration and weakness. All of these symptoms are in turn present. It is thought that nearly one-third of our population has this disease in some of its varied forms.

It has been found that physicians have mistaken the cause of this disease. Some have treated it for a liver complaint, others for kidney disease, etc., etc., but none of these kinds of treatment have been attended with success; for it is really constipation and dyspepsia. It is also found that Shaker Extract of Roots, or Mother Seigel's Curative Syrup, when properly prepared will remove this disease in all its stages. Care must be taken, however, to secure the genuine article.

IT WILL SELL BETTER THAN COTTON.

Mr. John C. Hemptinstall, of Chulafirmee, Cleburn Co., Ala., writes: "My wife has been so much benefited by Shaker Extract of Roots or Seigel's Syrup that she says she would rather be without part of her food than without the medicine. It has done her more good than the doctors and all other medicines put together. I would ride twenty miles to get it into the hands of any sufferer if he can get it in no other way. I believe it will soon sell in this State better than cotton.

TESTIMONY FROM TEXAS.

Mrs. S.E. Barton, of Varner, Ripley Co., Mo., writes that she had been long afflicted with dyspepsia and disease of the urinary organs and was cured by Shaker Extract of Roots. Rev. J. J. McGuire, merchant, of the same place, who sold Mrs. Barton the medicine, says he has sold it for four years and never knew it to fail.

SHE WAS ALMOST DEAD

I was so low with dyspepsia that there was not a physician to be found who could do anything with me. I had fluttering of the heart and swimming of the head. One day I read your pamphlet called "*Life Among the Shakers*," which described my disease better than I could myself. I tried the Shaker Extract of Roots and kept on with it until to-day I rejoice in good health. Mrs. M. E. Tinsley, Bevier, Muhlenburg Co., Ky.

Penalty of Accusation.

F. M. Parker an old citizen of Oregon, who was robbed out of $10,000 and practically beggared, is in San Francisco, under bail for his appearance to serve as witness against the men who robbed him. He has been in prison for a time, for want of bail. He is without means. He went to San Francisco to make due complaint against the three scoundrels who swindled him out of his money. They succeeded in bailing themselves out with the money they got from him, while he languished in prison. The end will be, probably, that he will come out of the case penniless, and they will go unpunished. For allowing himself to be swindled he suffers imprisonment. For having robbed him, the swindlers go clear. This is law, it appears; but wherein is the quality of justice? The lesson of it is, in San Francisco courts, at all events, when a man is swindled and robbed, the better thing for him to do is to submit and make no efforts to bring the rascals to justice, in order to escape the similar penalty of Parker. Shysters about the courts appear to have the ear of the judges. The accuser is made the victim behind the bars. The accused and guilty go free. It is simply a warning for the victim to beware and not pursue the criminal. They can grin at him inside, as they stand outside the prison bars. It is outrageous and maladministration of law and justice.—News.

Oregon Horses in California.

SAN FRANCISCO, Feb. 12—L. B. Lindsey, of Portland, takes great pride in showing his handsome young stallion Decoration Day, so named on account of being foaled on May 30. The colt is 2 years old and a half brother to Jane L, being sired by the same horse, Hambletonian Mambrino. In speaking of him Lindsey said: "I consider him the best colt I ever owned, if not the best I have ever seen." He is a beautiful dark bay of grand form and good size, with fine front and great speed. He is entered in the 2-year-old stake of this year. Lindsey is now waiting for the arrival from Oregon of a 6-year old gelding, another Hambletonian Mambrino. He earned a record in Oregon of 2:39. Lindsey also has a fast and promising chestnut gelding named Hamblin. He is a novice, but will be tested this year. Nautilla J. has been sent to Oregon. The mare is not sound enough to warrant preparing her for a hard campaign.

Lindsey has traded the chestnut stallion Mt. Vernon, record 2:26¼, for four 4-year olds. The horse will be taken to Oregon to do service.

THE GREAT REGULATOR

SIMMONS SLR LIVER REGULATOR

PURELY VEGETABLE.

Are You Bilious?

The Regulator never fails to cure. I most cheerfully recommend it to all who suffer from Bilious Attacks or any Disease caused by a disarranged state of the Liver.
KANSAS CITY, Mo. W. R. BERNARD.

Do You Want Good Digestion?

I suffered intensely with Full Stomach, Headache, etc. A neighbor, who had taken Simmons Liver Regulator, told me it was a sure cure for my trouble. The first dose I took relieved me very much, and in one week's time I was as strong and hearty as I ever was. It is the best medicine I ever took for Dyspepsia.
RICHMOND, VA. H. G. CRENSHAW.

Do You Suffer from Constipation?

Testimony of HIRAM WARNER, Chief-Justice of Ga.: "I have used Simmons Liver Regulator for Constipation of my Bowels, caused by a temporary Derangement of the Liver, for the last three or four years, and always *with decided benefit.*"

Have You Malaria?

I have had experience with Simmons Liver Regulator since 1865, and regard it as the greatest medicine of the times for diseases peculiar to malarial regions. So good a medicine deserves universal commendation.
REV. M. B. WHARTON,
Cor. Sec'y Southern Baptist Theological Seminary.

Safer and Better than Calomel!

I have been subject to severe spells of Congestion of the Liver, and have been in the habit of taking from 15 to 20 grains of calomel, which generally laid me up for three or four days. Lately I have been taking Simmons Liver Regulator, which gave me relief, *without any interruption to business.*

HOW HE WON.

William Beach, Hanlan's Conqueror, Tells How He Did It.

The recent exploit of Mr. William Beach, leaves no doubt that he is the handiest man in the world with the sculs. The ease with which he outrowed his opponent, the supposed invincible Ned Hanlan, shows that in form, stroke, and muscular development, adapted to sculling, he has no equal.

Although an Australian by virtue of residence, Beach was born in Surrey, England, in 1851, and removed with his parents to New South Wales in 1854. He was brought up to his father's trade, and, while toiling like a young Vulcan in the smithy, unconsciously developed that magnificent physique which has since brought him world-wide distinction. When about twenty-three years of age, Beach commenced rowing on the Illawarra Lakes against local competitors, and from the outset kept winning until gradually handicapped out of all races. Following are his chief aquatic performances while in Australia:

December, 1880—Won Deeble's handicap, Woolloomooloo Bay.
January, 1881—Second Pyrmont Regatta, won by Pearce.
January, 1881—Second National Regatta, won by D. M'Donald.
February, 1881—Beat N. McDonald, Parramatta river.
March, 1881—Beat George Solomons.
May, 1881—Beat Charles Reynolds.
October, 1882—Second Punch trophy, won by E. C. Laycock.
December, 1882—Beat T. Clifford, Parramatta river.
January, 1883—National Regatta, swamped, won by Messenger.
March, 1883—Nowhere, Grafton Regatta, won by D. M'Donald.
March, 1883—Won Woolloomooloo Bay Regatta prize.
December 7—Won James Hunt's trophy, Parramatta river.
April 2, 1883—Beaten by E. Trickett, championship (first time.)
April 12, 1883—Beat E. Trickett, championship.
April 17, 1883—Beat E. Trickett, championship.
April 12, 1884—Beat E. Trickett, championship.
August 16, 1884—Beat E. Hanlan, championship world.
March 17, 1885—Beat T. Clifford, championship world.
March 27, 1885—Beat E. Hanlan, championship world.
December 19, 1885—Beat N. Matterson.
November 26, 1887—Beat E. Hanlan, championship world.

Mr. Beach's system of training includes a run of two or three miles before breakfast, a walk of six or seven miles afterwards, and a pull over the course. After dinner comes another two mile walk and a second pull over the course, during which he rows himself right out, eases off, and then pulls again. A long walk concludes the day.

A man under such physical strain, even though he be a giant, must often feel the failure of his strength to his will, and, powerful though he be, it is not surprising that Mr. Beach candidly states that during his training, previous to meeting Edward Hanlan the second time for the world's championship, his trainer bought for him Warner's safe cure and he says: "I was agreeably astonished at the great benefit which followed its use." While in training he finds this the best possible aid to a command of all his natural powers, because it does not first goad and afterwards weaken the system, but acts in perfect harmony with nature's laws.

Mr. Beach's experience is confirmed by the experience of many thousands of athletes all over the world. Under the great physical strain they break down and die prematurely, because they have not been able to keep disease away from their kidneys and liver, whence most diseases originate. Mr. Beach recognizes this necessity, and has sagacity enough to use the only scientific specific for that purpose. He has not only the prestige of victory, but the prestige of a true scientific method of training and keeping up his wonderful physical condition. If he did not voluntarily give up the championship, it would no doubt be a long time before it was wrested from him.

FIFTY YEARS AT THE FRONT.

For nearly fifty years the recognized authority the world over on all agricultural matters, allways abreast of the times, and always spending lavishly for the best talent and experience, the

American Agriculturist

begins 1888 with new contributors, new artists and new type, and the editorial staff, which has made this Periodical a power in both hemispheres, reinforced with fresh blood and brains, thereby combining the experience and erudition of years with the vigor and freshness of youth. The *American Agriculturist* keeps pace with the growing interest in agriculture largely brought about through its teachings, and continues to-day, after absorbing twenty-four other agricultural papers, to furnish the current agricultural literature where the English and German languages are spoken. Every number contains nearly 100 original illustrations and original articles from 50 different writers. Price $1.50 a year; single numbers, 15 cents.

CHRIST ON CALVARY, The First and only Reproduction in this Country, and BEFORE PILATE

These magnificent works of art are neither old time chromos nor ordinary engravings. The latter is an exquisite photoetching, far superior to anything in the market. Christ on Calvary, the companion picture, is executed for us by the Mezzogravene process, which far surpasses any other for softness of tone, vigor of action and general superiority of execution. They are on heavy plate paper, 22x28 inches in size, forwarded, post-paid, in tubes prepared for the purpose. Price $1.00 each, both forwarded in tubes, post-paid, to one address, $1.50.
