United States should lead by a constitutional amendment.

WASHINGTON, April 6, 1888.

WASHINGTON LETTER.

[From our Regular Correspondent.]

Representative Crain's Inauguraon day amendment was defeated in the house, and the capital city Hon. John P. St. John and Rev. mourns that the important date is not to be changed at present. But an off set to this disappointment,

ing voice the bill providing for the J. W. Webb went fishing Saturday. up into all kinds of ornaments, newel constitutional centennial in 1889, They did not follow the example of posts, etc., and for small grindstones and The comptroller of the currency has and there is little doubt that it will a great many Salem people, and whetstones it is pronounced equal to the authorized the Ellensburg National bank, be adopted by the house in a simi- wait until Sunday to go. They did very best. A company has been formed of Ellensburg, Washington territory, to larly liberal and patriotic spirit. If not go fishing for republican suckers, to work the quarry, and already several begin business, with a capital of \$50,000. so, Washington will next year be as they usually do, but they went large orders have been received from the scene of a most interesting and after the beautiful, festive mountain Portland and elsewhere for the stone, important meeting of the representation trout, sometimes termed "speckled The body of a little girl named Hess, Pacific coast are using petroleum as fuel, tatives of the people and the gov- beauties."
