#### LOCAL AND GENERAL.

ENDENT

-The dime sociable at the residence a great success. Financially it raised man who has the toothache is in a sav some \$14 for the funds of the Congregational church. Socially every one had a good time, and we have heard it several times remarked this week that somehow there was such a genial element of hearty Meade; Sec. R. H. Greer; Treasurer, P. the boys realized quite a nice profit good will in the gathering of so many M. Dennis; Warden, R. L. Wooster; Con something by the way of which they ar people of all ages and denominations ductor, S. H. Humphreys; Inside Guard, now much in need, as their financial that one seldom has the good fortune to experience. We, from observation, feel inclined to believe that in addition to the kindly and courteous welcome ex Hillsboro hotel. tended by the host and hostess with their elegant refreshments, the presence of so many of our young people from a distance had quite a pleasing effect upon the inhabitants who were glad to see them back among us again, even though only for a few holidays.

- "What is in a name," is a very common saying, but occasionally there is a great deal in one. For example, a man giving the name of Riley Clearwater. and who is an old resident in this county. was in town the other day. We are well informed that in one establishment the departure of the gentleman with the above name caused quite an interval of serious cogitation on the part of the young mer employed therein. How anything could be clear and riley or riley and clear was quite a conundrum One could see that some question requir ing deep penetration was absorbing the attention of their youthful minds. The advice to think it over while standing on the head was probably acted on by a comparatively enjoyable drive over it the owner. been informed as to the results.

-Influenza is assuming a very grave form in Paris and several other European towns. It is in many cases complicated with pneumonia. Vessels having the disease on board have in many cases been quarantined.

-Whooping cough, croup, sore throat sudden coids, and the lung troubles pe culiar to children are easily controlled by promptly administering Aver's Cherry Pectoral. This remedy is safe to take certain in its action, and adapted to all constitutions.

-Influenza will probably be an ur welcome visitor among us in a few days. It is now this side of the Rocky mount

-Frank Hulbard, a storekeeper near Rooster Rock on the Columbia, was re cently fined \$45 and costs for selling cigarettes to a minor. We are pleased to see the law at least partly enforced

-A poor old woman in Denver got \$5000 worth of life insurance the other day, all because her son thought he would rub some mud off a horse-car mule's hind foot.

-The people of McMinnville are trynd do likewise and more also. -When the blood is impure, thick,

onditions, all the functions of the body re impared, and the result is a variety of dangerous complications. The best remedy is Ayer's Sarsaparilla.

-Miss Ollie Bailey has about three dozen oranges on her orange tree. Many of them are full grown, and a few are ripe enough to gather. Who says we county Itemizer.

-Corvallis has raised a subsidy of both depots.

the new addition to its business.

-At the residence of J. J. Morgan on the evening of Friday, January 3, 1890, a dime sociable will be given by the young ladies of the Christian church. A pleasant time is anticipated.

hall Tuesday night was, if possible, more than a success. The place was crowded to the point of being almost uncomfortable. The proceedings began with some excellent music by the choir followed by some nice melodies from the orchestra. Rev. J. A. Campbell now engaged in prayer. Mr. and Mrs. E. G. Wheeler of the Baptist Sunday school mission then delivered very seasonable addresses to the young and old. Rev. Mr. Miller now returned thanks for the provided refreshments. This he did standing behind his chair which we learn one audacious young man removed. accommodate his girl, thus reminding us of the nece sity of watching as well as praying. An excellent supper was next served and games introduced which occupied the attention of many young people until the arrival of the new year. Some \$21 was cleared by the proceedings.

-The friends of Rev. H. M. Waller will regret to learn that his wife died very suddenly in Polk county on the is selling carpets, bedding, wall paper. 17th of last month.

-There will be a public sale at the house of Wm. McQuillan, Farmington, on the 14th. Look out for the ad. in our next issue, also hand bills.

#### The Happiest Royal Family.

The Greeks have an ancient prophecy hat when there shall arise in their coun try an emperor named Constantine whose wife shall be Sophia, then shall be restored Christian rule to Constanti nople and Christian worship to the mosque of St. Sophia. The name of the Duke of Sparta, heir to the throne of Greece, is Constantine, and by his marriage to the sister of the German emperor he gets a wife named Sophia.

Meantime, if the young Duke of Sparta is as happy in his domestic life as his father and mother have been, he will be fortunate and happy whether he ever fulfills the prophecy or not. A newspa per correspondent gives a delightful sketch of the simple democratic life of King George and Queen Olga. It is sim Lincoln used to do. They are devoted to each other, and seem as happy as the day is long. So far as known, not even a whisper of a skeleton in their cupboard has ever reached the public. They are handsome, healthy, and they love each other, and their people are devoted to them. King George and his queen are both fond of athletic and outdoor exer cises, in which they excel. The king spends much time in his office, hard at work as any clerk. After office hours at Salem, spent the holidays at home. he frequently walks in suddenly on some of his heads of departments in the fol

lowing fashion: Good morning. Mr Postmaster. I have com o see what is wrong with our foreign mails They don't seem to get distributed as promptly as-they should Or at the jail Ah, Mr Sheriff, how do you do? They tell me stat the prisoners don't get enough to eat. How about it? Just let me

go in and see them at dinner, will you! It is melancholy to read of Nevada abandoned alike by rain, railroads and miners. There are towns in the state that used to have a population of 15,000 Now they have in some instances less than a hundred. When the price of sil-

The Hebrew Journal asks this ques the dog. On arriving at the beach the such a thing as a Jewish vote has never out through the breakers into the deep side of the synagogue we are citizens of the United States," says The Journal.

An old Maryland planter says of the present colored population of that state: he made for the shore and fell dead in "Those who are here now have to work harder than our niggers used to, but The hunters by this time had arrived they seem to be kind of happy over it

The Philadelphia Ledger calls on gentlemen of the navy to translate their "knota" into miles, to let the public know that 6 knots make 7 miles, and The whole adjacent settlement had that when the Baltimore made 20.2

President Harrison has given assurance that there is about him nothing of the Socialist or Nationalist, as the fashion is to call it in New England. He told the committee from the western waterways convention that while he was in favor of improved navigation to the utmost extent, yet he was firmly of opinion that the people along the Mississippi should build their own levees.

Nothing shows the advance in naval guns and ships so much as the case of
