

DALLAS, SATURDAY, JUNE 4, 1870.

TOWN & COUNTY NEWS.

PORTLAND legal tender rates, strong at 88 1/2c.

We have received Mr. Pearce's weather record for May but will be unable to publish till next week.

FOUND.—On the road between Monmouth and Dallas, a gentleman's overcoat which the owner can recover by calling on Judge Collins, and paying for this notice.

SEEKING A JOB.—A Chicago company had their representative in Salem a few days since seeking to get a contract to build a section of the Oregon and California Railroad. The company built about 500 miles of the Union Pacific road.

THINGS LOST.—A set of ladies furs was lost this week on the road between Dixie and Ellettsdale. The finder will be liberally rewarded on leaving them, either at the store of Mr. J. H. Lewis, in Dallas, or at the residence of Mr. Benj. Hayden, in Eola.

WON'T DO IT.—Mr. Lee Robb tells us that the rumor being circulated to the effect that he will stump the county is untrue in every particular, for he intends to stop at home and administer to the wants of his hungry and weary guests. He holds daily levees at the Dallas Hotel.

CATERPILLARS.—During the past week the weather has been cool and showery. This has been of great service to the orchardists in the matter of destroying caterpillars. Where any attention at all has been given to their destruction the trees are free of them. They will probably swarm again when warm weather comes as the woods are full of them.

WILL MAKE DO.—Our friend Chas. Goodwyn has been employed by the Western Union Telegraph Company, and will report at the Portland office for duty, where he will hereafter make dots and dashes. We wish him complete success and that his circuit will not be so contracted but that he will be able to raise his Dallas friends.

DEMOCRATIC COUNTY TICKET.—For Representatives, Benj. Hayden, R. J. Grant, Wm. Comery; County Judge, J. H. Meyer; County Clerk, D. J. Holmes; Sheriff, S. T. Burch; Assessor, Wm. Ridgeway; Treasurer, R. M. May; Commissioners, Wm. Jones, J. K. Dehshmidt; School Superintendent, L. Vinyard; Surveyor, A. P. Butler; Coroner, Dr. J. E. Davidson.

CROP PROSPECT.—The prospect for an abundant harvest this year was never better. Grain is growing finely and the ground is charged with an amount of water that will be sufficient to last until after harvest. The rainfall for the past three months was 13.75 inches, an amount almost as great as fell during the whole winter of 1868-9. The breadth of land sown this year is more than has been planted in any one season before, and hence we may confidently predict a very large wheat surplus this fall.

BOUNDARIES OF ELECTION PRECINCTS.—As there are always questions arising concerning the boundaries of election precincts, we have examined the official records in the Clerk's office, and herewith present the boundaries of all the precincts in Polk county:

Beginning at the point where the north line of Polk county strikes the Willamette river, thence west to the line between sections 4 and 5, T. 6, S. STATE ITEMS.

The Salem Musical Union is rehearsing the "Haymakers."

The millers of Albany are offering 65 @ 70c per bushel for wheat.

John Hughes, sentenced for life for murder in Baker county, was consigned to the penitentiary last Friday.

Rev. Dr. Lindsley, of this city, has been engaged to deliver the annual address to the graduating Class of the Salem University, in July next.

A match game of billiards was played at Salem on Saturday, by Samuel Dennis and Tony Ward—500 points for \$100 a side; game won by Dennis, 500 to 488.

An Ochoco correspondent of the Albany Register says: "Following are the prices paid for cattle in Ochoco: Yearlings, \$16 @ 20; two year olds, \$25; three, \$30 @ 35; four, \$40 @ 45; cows with calves, \$10 @ 50; without calves, \$30 @ 40. Politics run high. Ochoco, by actual count, has a Republican majority of twenty."

Jas. H. Slater's Record.

This candidate of the Albany party for Representative in Congress was originally an Ohio (Oberlin) Abolitionist. He did not vote for Gen. Jo. Lane for Delegate to Congress in 1857; he voted in the November election of that year, on adoption of the State Constitution, "No;" on Slavery, "No." In 1858 he opposed the Democratic ticket, and was elected a member of the Legislature. In that body he nominated, July, 1858, for U. S. Senator, David Logan, Esq., Republican; and on the coalition of the Democratic wing of the "National" organization with the Territorial Democratic organization, Mr. Slater vehemently denounced the movement, and continued to oppose the Democratic party. For further particulars, we refer readers to the Salem Statesman of that day. It declared him, in short, the weathercock of Oregon politicians. We will, if it has escaped their memory, cheerfully furnish the details to our particular friends who now run the Salem Press.—Commercial.

Fleeing From His Own Record.

Ben Hayden says, in his speeches, that he does not favor repudiation, and tries to make it appear that he does not interpret "equitable adjustment" to mean what Pay, Col. Kelly, Mr. Slater and the Portland Herald assert it to mean. Then why did Mr. Hayden, in the Convention which made the Albany platform, persistently vote with Mr. Pay, and to defeat the substitute offered by Mr. Cushman, which did not mean repudiation? Mr. Pay and Mr. Ben Hayden voted together on every proposition in relation to the repudiation plank of the platform. Mr. Pay has the candor to declare that the resolution means repudiation, and that it was so understood by everybody in the Convention. As Mr. Hayden and Mr. Pay occupied precisely the same ground in the Convention, it will puzzle people to divine now how it can comport with Mr. Hayden's ideas of candor and truth and consistency for him to assert that he is not for repudiation. If he has changed his mind on the subject, let him frankly say so; but he does himself great injustice in occupying the position that that which he knew to mean repudiation in March does not mean repudiation still.—Commercial.

Telegraphic Summary.

WASHINGTON, May 30.—Receipts of internal revenue for the current year to date, \$155,000,000. For the year ending June 30th, the receipts will reach \$175,000,000.

The Secretary of the Treasury has ordered the sale of five millions of gold and the purchase of eight millions of bonds during June.

The forthcoming statement of the public debt will show a decrease equal to that of April.

CHICAGO, May 30.—This Times' Washington special says the time for ratifying the San Domingo treaty has been extended to July 1st. Fabian, who represents Bacz, has signed the extension, which has been accepted by Secretary Fish. The prospect of its ratification is now improved.

The prospect of passing any general amnesty bill this session is slight. There is a growing feeling against it among Northern and border State Republicans.

Letters from Kentucky to Senators state that if an amnesty bill passes John C. Breckinridge will certainly succeed Garrett Davis in the Senate.

The State Department has received

and will send to the Senate this week for ratification the naturalization treaty recently concluded between the United States and Great Britain, and which is based upon the protocol made by Minister Johnson a year and a half ago.

NEW YORK, May 28.—A Paris dispatch states that Prince Pierre Bonaparte is ordered by the Emperor into two year's exile in America, and will leave for New York soon. He is now under surveillance at Antuill.

MALONE, May 30.—Flanigan's and Hoggel's hotel, where the officers stop, is in the possession of Gen. Meade, who has ordered the arrest of all Fenian officers, and Gen. Gleason, Colonel Lindsay, Dr. Donnelly and Capt. Mann have been marched to the guard house.

The Fenian camp has been seized by U. S. troops with some 100 rifles and other arms. The Fenians gave up their arms after a short search by the Lieutenant in command of the regulars. The Fenians arrested will be brought before the U. S. Commission to-day. U. S. troops are on the border taking from storehouses Fenian arms and ammunition. Col. Boggie and the 60th British regiment have gone back to Quebec. The volunteers now hold the Canadian frontier. Locomotives with open trucks are kept ready with steam up night and day at nearly all the railway stations where troops can be sent forward. Sarina is protected by artillery from London and infantry from that and other districts. Ottawa is in a state of terrible and undefined excitement. Much sensation is created in consequence of a telegram from Washington announcing that Thornton, British Minister, has demanded his passports. The Grand Trunk brigade ordered to be in readiness, turned out yesterday and all the men are ready. They could be shipped for any point in an hour.

RICHMOND, May 27.—The counting of ballots show that the Republicans have elected Governor Caboon Mayor, and that their city ticket and Council is still in doubt.

The Republican majority for the city ticket is 200. The Conservatives carry the City Council. The Republicans carry Petersburg and Portsmouth, and the Conservatives carry Lynchburg, Danville, Norfolk and Alexandria.

Vote as you please. No Republican or Democrat is entitled to the title who does not vote as he pleases. The man who does not vote independently is not fit to exercise the right of suffrage.

New York city has more Jews than Julia.

Words of Weight for Wives and Mothers.

The superiority of HOSTETTER'S STOMACH BITTERS over all other tonics and correctives, as a remedy for dyspepsia, biliousness, nervous affections, and all complaints of the visceral organs, and as a preventive of malarious disorders, is proverbial; but perhaps it is not so generally known that the ingredients of this famous invigorant and alterative exert a powerful and most beneficial influence in that numerous and distressing class of ailments, of which so many thousands of delicate women are the patient, uncomplaining victims. The special troubles of the sex, commencing with the disordered system of womanhood, and extending over a period of thirty-five years, are as readily and certainly relieved by the operation of this admirable vegetable preparation, as any of the complaints common to both sexes, for which it is recommended as a specific. The attention of mothers is invited to its balsamic effect in those peculiar cases of functional irregularity and irritation, which, when neglected or mismanaged, destroy the health and shorten the lives of so many invalids. There is no need for the powerful and dangerous drugs too often resorted to in such cases. The mild tonic and restorative action of the BITTERS is all the assistance that nature requires in its struggle to overcome the difficulty, and a vast amount of suffering would be spared to the sex, if they placed implicit faith in this wholesome vegetable invigorant, corrective, and nerve, and discarded the pernicious nostrums advertised by ignorant and mercenary charlatans. 12 1/2
