Wood Wanted.

Those indebted to the Oregon REPUBLICAN will confer a favor by furnishing us some wood, which will be as good as cash to us.

Mr. T. B. Newman has a lot of fine wire corn poppers for sale cheap at his tin shop.

Owing to high water between here and Portland the mails from the latter place did not reach us on Monday and Tuesday.

Mr. William Farley will open a Writing School in the Academy Building, commencing on Tuesday evening, the 28th inst.

The past week has been the most unpleasant of the season. Rain, snow, sleet and hail have been showered upon us in abundance.

Dr. M. D. Merrick, State Lecturer, will speak on the subject of Temperance on Sunday evening, the 26th inst., at the M. E. Church.

Thanks. We are under obligations to Senators Corbett and Williams for valuable congressional documents, and to Mr. William Howe, of Dallas, for important statistical publications.

Mr. William Brown, well known to the citizens of Dallas and vicinity as a thorough business man, is opening a grocery and provision store in the stand formerly occupied by Laughery & Collins on Main Street.

Hotel. The Eagle Hotel, Dallas, has been re-fitted, and will be opened for business on Monday the 27th inst. Mr. F. M. Collins, the gentlemanly proprietor, will be in attendance at all hours, and we hardly need add that, under the supervision of Mrs. C., the rooms will be kept in prime condition, and the table always tempting.

We were shown, a few days ago, a letter written by a party in New York, and directed to one of our most reliable citizens, offering to furnish counterfeits of U. S. Bonds and currency, for a very small per cent. of their face. This has become quite common, and it is a great pity that some means cannot be adopted to put a stop to such swindling.

Entertainment. The entertainment of the Dallas Literary Society on Wednesday evening last was an entire success—it far exceeded the predictions of the most sanguine. The addresses were applicable and well delivered. The tableaux were excellent and well selected. And as to the "plays," we think we reflect the sentiment of the community when we say, they could not be excelled by any amateur performance in the State. While the Society did not aim to ingraft anything like a theatrical spirit to the exercises, yet it verged close enough to that to give it zest to those who enjoy performances of that nature, and at the same time not rouse a prejudice in the minds of those who are opposed to that class of exercises. The scene from the tragedy of "Ion" was well played, though it did not seem to coincide with the tastes of the greater portion of the audience. The "Comedy of the Evening," the "Surprise," and pieces of that nature seemed to accord with the tastes of the company, and elicited evidence of appreciation from all present. The music, both vocal and instrumental, was certainly excellent; the songs were well sung, and at the close of one of the best, we, in common with the "bells," felt like still keeping up the "ringing for Sairah, for Sairah," until we could again bring her to the front. Taken as a whole, we think it was an occasion which will long be remembered by the citizens of Dallas.

Be Wise To-day.—'Tis madness to neglect a cough or cold. Consumption may follow and though *Dr. Wistar's Balsam of Wild Cherry* cure the latter disease, yet the former disappear *at once* under its influence.

PIMPLES, BLOTCHES,

and roughness of the skin generally arise from depraved or vitiated humors. Bistol's Sarsaparilla is the best of all known purifiers of the blood and humors. This failing detergent neutrailizes the poison, and occasional doses of Bristol's Sugar coatec Pills, taken at same time purge out the unhealthy secretions, insuring a smooth, white soft skin.

Yes, Everywhere!

In her bath-room, in her drawing-room, her boudoir, in her carriage, at the ball or opera, on the promenade, everywhere, a lady requires as the extreme of refined enjoyment and fashionable luxury the fragrant aroma of the genuine MURRAY & LANMAN'S FLORIDA WATER.

☞ As there are worthless counterfeits always ask for the Florida Water prepared by the proprietors, Lanman & Kemp, N. Y.

Telegraphic Summary.

WASHINGTON, Feb. 6.—Should the Senate put an amendment to the bill repealing the Chorpending swindle, which will necessitate its being sent to the House, Mr. Dawes will make some severe disclosure which he held back in his former speech, and which will be very damaging to certain high officials.

A motion to suspend the rules for the purpose of taking up the bill to relieve the Kansas Central Branch of U. P. R. from the Committee on Public Lands, and place it at once on the speaker's table was beaten in the House to-day by a large vote Immediately thereafter Maynard of Tenn. moved to suspend the rules for the purpose of taking from the speaker's table the Transcontinental Railroad bill and refering it to the Committee on P. R., with authority to report at any time after the 15th of this month, when the rules were suspended and the motion carried by a vote of 149 to 61. This virtually secures the passage of the bill.

Washington, Feb. 8.--The question of this Government appointing a Commission to audit the "Alabama Claims" was again discussed, without finall action, by the Senate Foreign Relations Committee at their meeting to day. The claimants very generally appear to be in favor of this course, or one which will permit them to make a direct settlement with Great Britain.

The Senate passed the House joint resolution repealing the Act of July by which the Post office Department was about to pay the notorious Chorpening a mail contract claim for nearly $500,000. The view which was taken of this claim was similar to that expressed in the House. Mr. Trumbull animadverted quite severely upon the course of the Postmaster General in the premises, and, while speaking, refused to heed 2 or 3 vigorous pulls at his coat-tail, made by that discomfited official, who was on the Senate floor.

New, York. Feb. 6–4 p. m.–In grain there is rather more steadiness in shipping qualities of wheat, with less offering and a fair speculative and moderate shipping demand; millers are buying sparingly; at the close the market is firm, but quiet; $1 80 for white Cal.; $1 70 for white Mich.; $1 80 for white Genessee. Barley is inactive; Barley malt is dull and prices uncertain. Money is easy at 4@6 per cent. Exchange quiet and firm at 109¾@109½. Gold weaker; this afternoon declined to 111¼ and afterwards recovered, closing at 112 Governments closed quiet and steady; Pacifics, 11¾@11½. Stock dull and stesdy.

Bordeaux, Feb. 18.—In the National Assembly to day President Grevy read a letter from Theirs introducing his appearance with new Ministers in the Assembly on Sunday.

Rochefort protested against the display of military force around the chamber.

During the discussion on the declaration by M. Keller in Committee, yesterday, Gens. Chanzy and Billette each declared that an offensive war could be successfuly prosecuted.

The number of Deputies in attendance to day exceeded 600.

London, Feb. 18.—Lord Lyons telegraphs to the War Department that the French Assembly having voted almost unanimously for the appointment of Thiers as Chief Executive pending the decision of France upon definite institutions, he has announced verbally to Thiers the recognition of the Government by England.

A letter from Dunkirk date 16th, says the 22d French army corps has passed there, and will embark by sea for Bordeaux.

Small pox is raging in France, and is especially violent at Lille.

A Lille dispatch to day says 2 Prussians made a demand for money assessed on the city of Sedan made the last quarter of 1870. The municipality yielded to threats, and are obliged to contract a lean for 210,000 francs to satisfy the demand.

Berlin, Feb. 18.—The North Germrn *Gazette* to-day says the election of an Orleanist to the Presidency of the Republic would imply a speedy renewal of anarchy in France, and prevent reconciliation with Germany, the Orleanists being sworn enemies to Germany.

We learn from the *West Side* that Mr. Babcock and other settlers of Nestucca Valley, have found indications of gold diggings on the shores of Sand Lake, between Nestucca and Tillamook. They were out exploring and were not provided with tools for mining but panned out the dirt in a frying pan. Our informant is not a practical miner, but from his discription of the prospect we judge the diggings to be what are called quicksilver mining, or float gold which is in such fine particles that what is called a color hardly weighs anything, but as they obtained from 200 to 400 colors to the pan wherever it was tried the probability is that the diggings will pay for prospecting further. Mr. R. did not feel at liberty to enter further into particulars until the discoverers han made their arrangements perfect for locating their claims on the lead, but promised to let us hear from him again in due time.

STATE ITEMS.

[Gleanings from State Exchanges.]

The *Oregonian* says the rush of passengers and freight to the new city continues unabated.

The Fishermen at Oregon City are busy curing salmon for the market. The yield is said to be larger than common.

The P. T. Co. are about to build another boat to run on the Willamette. She is to be after the style of the Senator but much larger.

A Tillamook man reports a discovery of gold mines over that way, and has procured tools and appliances in Portland to work them.

The *Bulletin* says, a young man named Hall, who attempted lately to rob Kah's store at Milwaukie, was arrested in Oregon City.

CARGO, FOR CHINA.--The ship Hattie C. Besse sailed for Honkong, China on Tuesday, the 7th. Her cargo consisted of 400,000 feet of lumber and 10,000 feet spars, from Oak Point, W. T.

NIPPED.—The conductor on the train between Salem and Portland, named Bean, was detected in a speculation, to wit, stealing money from the company. whereupon he was arrested, convicted and fined $45 and cost.

The contract made with Condon & Co. to construct the first section of the N. P. R. R., commencing at the Columbia river, has failed to be approved by the Company, at the East, and Capt. Walker has been appointed overseer of construction.

INSANE.—On Friday, the 10th inst. Sheriff Palmer took to the Insane Asylum, Mr. Geo. Irvin who had been taken to Corvallis and pronounced insane. He is a resident of King's Valley, in Benton county, is about 34 years of age, and has a wife and three children.

THE CATTLE PLAGUE.—Several citizens of Albany have lost valuable cows in the last few days, as well as young cattle. Cattle that were apparently in good health in the evening, were found dead in the morning. No opinion has been advanced as to the cause of this sudden fatality.

SMALL POX.—The family of Hubbard Bilyew, sen., in the Forks of the Santiam, are at present all stricken down with the small pox, but strong hopes of their recovery are entertained. There are 7 members of the family and all have been attacked with the terrible disease in its most malignant form. No other persons are known to have been exposed to it.

From the *Commercial Herald* of Feb. 17th we extract as follows:

Oregon continues to send us her surplus bacon, hams, pork and lard of superior quality, and for the most part commanding better prices than that paid for our city cured. Oregonians would, however, do well to take more heed in cutting and packing their smoked meats; a greater regard to neatness, and not to say cleanliness, will go a great ways toward securing them more profitable returns.

The beef and pork market is supplied from Oregon, and local packers at our quotations say: Pork, extra clear, bbls, $20; do, hf bbls, $14 50; do mess, ₶ bbls, $26; do prime mess, ₶ bbls, $24; do prime, ₶ bbls, $21; beef, salt, bbls, from $14 to $18; smoked beef, ₶ lb, 11½c.

The export demand for lumber continues unabated; the very low prices which cargoes are offered here and at mill ports is tempting to exporters. The mill price, with cargo sales from northern ports, is $10@11 for timber; 18@19 for flooring. Following are wholesale rates to dealers: Redwood, rough, $18; do, siding, $22 50; do, surface, $30; fancy pickets, $30; Ogn., rough, $17; do, flooring $27; do, fencing, $18; laths $3@3 25; redwood shingles, $2 75. ☞ If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull and stupid or debilitated, pain or pessure in the head, take cold easily, you may be sure you have the Catarrh. Thousands annually without manifesting half the above symptoms, terminate in Consumption and end in the grave. No disease is so common, more deceptive or less understood by physicians. Dr. R. V. Pierce 133 Seneca st., Buffalo, N. Y., is the sole proprieto of Dr. Sage's Catarrh Remedy—a perfect specific for Catarrh. Cold in the head or Catarrhal Headache, which he sends to any address by mail on receipt of 60 cents. Sold by druggists.

Every organ demands sustenance and support from the stomach. If the stomach cannot supply the aliment required, the whole system languishes. To rouse and regulate this great supplying organ, there is no prepartion at present known that will compare with Dr. WALKER'S VINEGAR BITTERS; and as two-thirds of all human ailments originate in indigestion, it follows, logically, that most of the diseases flesh is heir to are curable *at their source* by this powerful vegtable restorative.

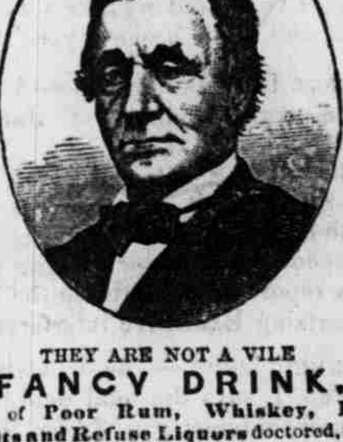
The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands
Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?



FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Billious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other **WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
