Peculiarities of the Arabs.

No Arab is ever curious. Curiosity with all Eastern nations is considered unmanly.

Indeed it was observed by a famous Arab: "Countless are the voices of men, but one thing will redeem them all, property of speech."

Facts and Fancies.

Sober Habits—Graves-clothes.

A popular Loan—Cologne.

When you find a man having more business than you have, look at the advertisements he has in the papers.

What is the difference between a carriage horse, and a carriage wheel?

Sound bill.—A quack doctor lately sent a bill to a widow lady, which ran thus: "To curing your husband till he died!"

One bad man in a church harms the whole congregation; and one bad minister deals a blow at true religion every time he shows himself in the pulpit.

Rattlesnake Bite vs. Whisky.—A man in Horkimer was bitten by a rattlesnake about twenty years ago, and still keeps taking whisky to cure the bite.

Hugging and kissing.—A correspondent hints at hugging and kissing among male and female members of a certain lodge of Good Templars.

Good Women.—Our devil has been reading the bible recently. He says that of all the good women mentioned in the good book, Ruth seems to have treated her sweetheart the worst.

Boots.—Elijah Hedges, of Cornhit is the happy owner of a pair of boots made in 1828.

It is foolish for a man to suppose himself a gentleman, because he touches his hat to a party of splendidly dressed ladies, while he scorns to extend a helping hand to his old washerwoman struggling across the street.

It is foolish for a girl to think she is establishing her character as a young lady of fashion, by allowing her mother or toil through all the drudgery of the house, and then investing her money in gaudy brooches and artificial flowers.

A western publisher lately gave notice that he intended to spend \$50 for the purpose of getting up "a new head" for his paper.

At a regular meeting of the directors of the Dallas Military Road Company the following gentlemen were elected officers for the ensuing year.

A West Utica girl sued a shoemaker before one of the Justices in the Exchange Building, because she could not get inside of a pair of shoes he made for her.

The following appears in one of County papers; "whereas, I, Daniel Clay, through misrepresentation, was induced to post my wife, Rhoda, in the papers, now I beg leave to inform the public that I have again taken her to wife, after settling all our domestic broils, in an amicable manner, and that everything as usual goes on like clock-work."

A boy living on Broad Street, asked his mother the other day if his papa was not getting rich? The mother said she did not know and asked the child why.

Rich.—The following note was picked up on one of the streets in Whites-town, about the time it is dated.

New York Mills Dec 22 1870 Emme how wood you like to go to the concert to night do you think wood you if you want i wood be glad if you be reddy will call for you now doant disappoint me will you if you do i will be urd it is agoin to be good be reyy wout you emmie you like gingin dount you.

your truly John it wont cost nothin i will pay for both

The tell tale flour.—A young lady who resides on Mary street, excused her self from a party of friends the other evening to superintend the reception of some groceries which a young grocer clerk—a lover of hers by the way—had brought to the house.

After depositing a flour sack, the young gent some how or other, as young gents oftentimes done before, got his arm around the young lady's waist and the tell tale flour mark on a dark dress, convinced the company of that fact when she returned to the parlor.

She of course very naturally denied the charge; but it was nothing to be ashamed of—as they are engaged, and the young man will prove a worthy husband we'll venture to affirm, as he knows how to combine business with pleasure.

FRENCH MEDICAL OFFICE. Dr. Julien Perrault, Dr. of Medicine of the Faculty of Paris, Graduate of the University of Queen's College and Physician of the St. John Baptiste Society of San Francisco.

PERRAULT HAS THE PLEASURE to inform his patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11. First floor, up stairs, entrance on either Montgomery or Sacramento streets.

Dr. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists, involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that a premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their source in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or make water, Intellectual Faculties are weakened, Loss of Memory sources in causes, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and are disturbed by dreams; melancholy, sighing, palpitation, faintings, coughs and slow fevers; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to DR. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Stricture, Bubo, Ulcers, Ostitaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diploma are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases call and examine for themselves. We invite investigation; claim not to know anything nor to care everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor and that advertised physician will turn out and discouraged, to call upon us.

Low charges and quick cures. Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills. DR. PERRAULT is the only agent in California for Dr. BRY'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. Perrault, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc. All communications confidential. 14-11
