

The Oregon Republican.

DALLAS, SATURDAY, MAY 6

Ode to Spring.

Would thou wert here sweet maiden, With thy blushes of delight. While around in graceful motion, Nymphs in waiting smile so bright.

Webfoot strides Pegasus and rides from a neighboring town to Dallas to give us the following reminiscence of Shopping in Independence.

A shopping I went to this far-named town. To buy me some tinware and also a gown; The tinner and saddler, merchants and all, I must not be partial but give each a call.

ENIGMA No. 13.—I am composed of 19 letters. My 9, 3, 19, 17, 8, is destructive to wheat. My 14, 16, 17, 13, 5, 19, is a girl's name.

Answer to No. 12.—THE ENGLISH SKY LARK. Armament of the World.

The greatest, most far-reaching result of the war which has just ended, is seen, not in the degradation of France nor the elevation of Prussia, but in the fact that other nations are now about to enter upon a new process of preparation like that which the German power has pursued so absorbingly for more than half a century.

MANUFACTURE OF BUTTONS.—The first manufacturer of buttons in this country was Samuel Williston. While he was dragging along as a country storekeeper—his eyes having failed him while studying for the ministry—his wife be thought her that she could cover by hand the wooden buttons of the time, and thus earn an honest penny.

We furnish the Republican and Demorest's Monthly for \$4 a year.

Facts and Fancies.

The ties that connect business men—advertise.

Is getting "tight" the result of "loose habits?"

When a girl falls in love with an unlucky Irishman, her heart always goes pity Pat.

"John, did you ever bet on a horse race? "No, but I've seen my sister Bet on an old mare."

Little children like flowers, need to achieve a healthy growth, plenty of care, plenty of good air, plenty of sunshine, and plenty of room.

Ladies don't know whether they like smoking or not. With special favorites they like it, with general favorites they don't like it, and with no favorites, they detest it.

It is customary in criminal circles to speak of going to prison as "going to a country house." We presume the hand cuffs are described as "The Two-wrists companion."

An eastern paper, in a fit of revolutionary enthusiasm, says: "Hurrah for the girls of '76." "Thunder," cried a New Jersey paper, "That's too darned old! No, no! Hurrah for the girls of '17!"

ON MISS ANNA BREAD.—While bellet her lovely graces spread, And fops around them flutter, I'll be content with Anna Bread, And won't have any but her.

A farmer, who recently had his butter seized on by the clerk of the market for short weight, gave as a reason that the cow from which the butter was made, was subjected to the cramps, and that had caused the butter to shrink in weight.

A quaint old gentleman, of an active, stirring disposition, had a man to work in his garden who was quite the reverse. "Jones," said he did you ever see a snail?" "Certainly," said Jones. Then said the old boy "you must have met him, for you never could overtake him."

Slightly sarcastic was the clergyman who paused and addressed a man coming into the church after the sermon had begun, with the remark: "Glad to see you sir; come in; always glad to see those here who can't come early," and decidedly self-conscious was the man thus addressed in the presence of an astonished congregation, as he responded, "Thank you; would you favor me with the text?"

A charming young widow of Perry county, Ind., being unable, or unwilling to decide which of two lovers to bless with her hand, induced them to settle the question by cards. "Old Sedge," best 2 in 3. Accordingly, the candidates met at the lady's residence one day lately, and in the most amicable manner played the momentous rubber, the looser retiring with a benediction on his successful rival and the prospective bride.

A fuss in the family.—"Wal, I guess there's a row over to our house." "What on airth's the matter, you little sarpin?" "Why dad's got drunk, mother washing, the old cow has drank a calf, Sal's got married, and run away with the spoons. Sete has swallowed a pin, and Lous at the Aurora Borax till he's got delirious triangles. That ain't all, nuther."

A poor emaciated Irishman, having called a physician, in a forlorn hope, the latter spread a large mustard plaster and put it on the poor fellow's lean chest. Pat, when he with tearful eyes looked down on it, said: "Doether, it strikes me it's a dale of mustard for so little mate." A gentleman playing cards at Baden Baden was much annoyed by an inquisitive stranger, who stood beside him and pried into his hand. At last he took a pinch of snuff and administered it to his tormentor, immediately saying: "I beg your pardon, but you were so near me, sir, that I mistook your nose for my own."

A rough looking specimen of humanity was crushing through Catham street, N. Y., not long since, when he came plumply upon a Jew, a specimen of his race, about whom there could be no mistake. Without any warning, the rough knocked him sprawling into the gutter. Picking himself up, and taking his "claret" faucet between his finger and thumb, he demanded an explanation.

"Shut up, or I'll bust you again!" shouted the aggressor, approaching him. "I never done noding mit-you, and what for you mash me in the nose?" asked Abraham.

"Yes yer hev; yer Jews crucified Jesus Christ. I've a mind to go for you again."

"But mine Cot, dat vash eighteen hundred years ago!" said the Jew.

"Wal, I don't care if it was—I only heard it last night!" replied the unwashed, again going for his victim who wisely went a trifle faster in the same direction.

FRENCH MEDICAL OFFICE.

Dr. Julien Perrault, Dr. of Medicine of the Faculty of Paris, Graduate of the University of Queen's College and Physician of the St. John Baptist Society of San Francisco.

Dr. PERRAULT HAS THE PLEASURE to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Albany Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11, first floor upstairs entrance on either Montgomery or Sacramento streets.

Dr. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists, involving the happiness of a life, and that of others, reason and morality dictate the necessity of its removal, for it is a fact that a premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes of which the germ is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or make water, Intellectual Faculties are Weakened, Loss of Memory occurs, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and sleep disturbed by dreams, melancholy, sighing, palpitation, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Strictures, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases can call and examine for themselves. We invite investigation; claim not to know everything, but to cure everybody, but we do claim that in all cases taken under treatment we reputation as a female remedy unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 975, P. O., San Francisco stating the case as minutely as possible, general habits of living, occupation, etc., etc. All communications confidential. 14-ly
