Dr. Julien Perrault, Dr. of Medicine of the Faculty of Paris, Graduate of the University of Queen's College and Physician of the St. John Baptist Society of San Francisco.

Dr. PERRAULT HAS THE PLEASURE to inform patients and other seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

Dr. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and perniatiously induce all the concomitants of old age. Where a secret infirmity exists, involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that a premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the laboring fruits thereof afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or make water, Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to read, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and sleep disturbed by dreams; melancholy, sighing, palpitation, fainting, coughs and slow fevers, while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body.

Patients suffering from these diseases can apply immediately to Dr. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Stricture, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT'S diploma are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promise. We particularly request those who have tried this boasted doctor and that advertised physician till worn out and discouraged, to call upon us.

Low charges and quick cures. Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.
