☞ Please notice this. Those in arrears, either for subscription or advertising, will confer a favor by calling and settling. It is a small amount to each, but in the aggregate amounts to a handsome sum to us, and will enable us to make certain improvements contemplated.

Dr. Grubbs returned from the coast last Saturday. The young lady whom he staid to attend is rapidly recovering, and expects to be at home soon.

Mr. D Cosper, living one and one half miles west of town, cut last week, a head of side oats, eighteen inches in length, from which he counted 457 grains.

G. B. Stiles has moved his "Headquarters" to his new store building two doors south of his former stand, where he is prepared to wait upon his numerous customers.

We are informed that buyers along the river are offering $1 per bushel for the new crop of wheat. This is good news for the farmers, for when wheat is a $1 a bushel times will be flush with them.

Correction. We stated last week that one Brown was accidentally shot on the Nestucca trail. A mistake was made in the name. The man's name was Joseph Woods, instead of Brown.

W. H. Teal has on hand wagons, buggies, etc., of the best manufacture, for sale cheap. With a first-class blacksmith, he is prepared to do work of that kind in a workmanlike manner Horse shoeing, $2 50.

Those farmers who are now threshing their grain, say the yield will be much better than was anticipated. Straw is short, but the heads are better filled and prospects are good for an abundant harvest.

By reference to our advertising columns it will be seen that the attention of the public is called to new branches of business. Mr. Frank A. Cook of Salem offers to do "binding" for all persons wishing any work of that kind. The N. P. R. R. Co. purpose letting contractors have an opportunity to make an item, and call for bids on grading &c.

Mr. E. H Sullivan, brother of P. C. Sullivan, Esq., of this place, is now on a visit to his friends here. He is just up from Placerville, California, when he reports business dull, crops poor and everything indicative of hard times. He designs remaining here a short time, and then making a trip east of the mountains prior to his return home.

The traveling thresher of the Robbins brothers, of Bethel, is proving an entire success. They are now running regularly by a header with a ten foot sickle, threshing the grain well and cleaning it ready for market. This will prove a great benefit to the farmers, as the grain is threshed with the same rapidity at far less expense than by the old system.

T. J. Frier, of Bethel, has just returned from Nestucca, where he and his brother have purchased a large cattle ranch. He informs us that the Tillamook country is filling up rapidly crops proving well and everything is in a flourishing condition. There are many good claims yet to be located, which can be easily made available by clearing off the brush which is easily accomplisded.

Forty Years' Experience have tested the virtues of *Dr. Wistar's Balsam of Wild Cherry*, and the result is that it is the best remedy extant for pulmonary and lung diseases, enbracing a whole range from a slight cold to a settled consumption. Were it not for its merits, it would long since have "died, and made no sign." 213-w.

Mr. Gragrind speaking of facts remarked the most striking fact in all his long experience was, that although he had known hundereds of persons tryDr. WALKER's CALIFORNIA VINEGAR BITTERS for liver and kidney complaints, scrofula, rheumatism, worms, fever, skin eruptions, headaches, and all disorders arising from bad blood, that remarkable vegetable preparation had never failed to effect a speedy cure in any instance. Many thousands of people testify that the excellent Mr. Gragrind was right as usual.

WE HAVE THE PROOF!

That Bristol's Sarsaparilla and Pills are reliable and certain remedies for heart diseases, rheumatism, dyspepsia, liver complaint, and scrofula in all its different forms and stages. Physicians of the highest standing have certified to these facts, and we invite all who entertain doubts to read our Bristol's Almanac, circulated free in this country, wherein are published the certificates in full. 582.

LIVING STATUES.

One meets with a good deal of animated marble in society. Statuesque people of both sexes are to be found in all the walks of life. To warm blooded folks, the cold, undemonstrative specimen of humanity are extremely repulsive. It is unpleasant to shake hands with them. There is no connection between their hearts, if they have any, and their hands. Their fingers are non-conductors. You feel when near one of them as if under the ice of an iceberg. Their smiles are as destitute of warmth as winter moonlight. Tears they don't deal in, the fountain being frozen. So mechanical are all their acts, so automatic their whole life and conversation, that more impulsive beings through whose veins the blood surges freely, sometimes wonder if creatures so passive can have any souls.

Of course, they have such a thing about them, but like a frog encased in granite, the immortal element shut up in an unimpressible structure, is incapable of exercising its powers. Possibly when death breaks up the living statue, the spirit, like the frog when liberated from its stony prison, may become brisk and lively. In the interim, however, the piece of talking sculpture for all terrestrial purposes might just as well be without a soul.

PERRY DAVIS' PAIN KILLER PROP'S 1840 1870

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarhoe, which always precedes an attack of the Cholera, take a teaspoonful of Pain Killer in sugar and water, (not if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœ or cramps continue repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases two or more teaspoonfuls may be given at a dose.

The Pain Killer, as a remedy, has no equal. Incases of Cholera, Summer Complaints, Dyspepsia, Dysentary, Asthma it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and $1 per bottle

Debility and Emaciation

Both result from the lack of ability to convert the food into nutriment. How necessary then, for those suffering from these alarming symptoms to immediately resort to a remedy that will strengthen the stomach and digestive organs. For as soon as this desirable object has been accomplished the health improves, and the patient resumes his usual personal appearance. Hostetter's Stomach Bitters have attained a world wide popularity in such cases and have been proven the best and safest means of removing constipation, toning the stomach, giving energy to the liver, and relieving the every symptom of nervousness and depression of spirits. Its cheering and beneficial effects are highly spoken of by thousands, who owe to it their restoration of health. No restorative in the annals of medicince has attained the same popularity in the short space of time it has been before the public, or won the high endorsements accorded to this excellent tonic. Many other preparations purporting to be correctives and restoratives, have been introduced and have perished one by one, while the popularity of Hostetter's Stomach Bitters continue to increase, and is now recognized as a standard household medicine. The success which attends the use of the Bitters evinces at once its virtues in all cases of debility and of the stomach. Certificates, almost without number, have been published, attesting its truly miraculous power in removing these painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age in order to awaken public attention to excellence. It is the only preparation of the kind that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted.

THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other **WORMS**, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
